

Empowering Youth: The Triad Haitian Community Assn. Grant Proposal

The Triad Haitian Community Assn. is dedicated to empowering disenfranchised youth through community outreach and engagement. We seek sponsorship to create a transformative community center, providing resources for personal growth, education, and a brighter future.

 by Woodson Simon

Our Mission and Vision

Empower Youth

Build social and cultural
bonds through community
outreach and engagement.

Break Cycles

Help youth overcome poverty and violence, improving quality of life.

Provide Opportunities

Offer personal development,
educational support, and
pathways to success.

The Need We Address

Community Center Features

Computer Lab

Access to technology and internet resources for homework and skill development.

Gymnasium

Space for physical activities promoting health and teamwork.

Transportation

Bus for easy access to the center and field trips.

Arts Annex

Area for creative expression and artistic exploration.

Our Goals and Objectives

1

Establish Facility

Construct a multifaceted community center with diverse spaces.

2

Provide Technology

Purchase 50 desktop PCs for educational and skill-building purposes.

3

Ensure Access

Acquire a bus for transportation to and from the center.

4

Support Education

Offer workshops, tutoring, and academic support.

5

Create Safe Space

Provide mentorship and guidance to help youth overcome challenges.

Our Approach

1

Community Outreach

Engage with local youth, schools, and families.

2

Workshops and Programs

Offer educational programs and life skills workshops.

3

Partnerships

Collaborate with local schools and community leaders.

4

Evaluation

Conduct regular reviews and gather participant feedback.
