Lights of Gratitude

Christmas Tree Extravaganza

Making an Impact!

By participating in Lights of Gratitude, you will be creating a magical Christmas for several NC Military Families!

Beautifully decorated Christmas Trees will be donated to 20 very deserving Military Families in the NC area. These donated trees will be decorated by local community groups, businesses, civic organizations, school groups, and individual families.

This is a great opportunity for Businesses & Private Donors to offer financial support for our Military Families.

Deadline: November 1
To be listed on event signage and publications
