I. COMPETITION OVERVIEW

Mayblades will be conducted in accordance with the rules and regulations of U.S. Figure Skating, as set forth in the current rulebook, and/or current Compete USA handbook as well as any pertinent updates that have been posted on the U.S. Figure Skating website. The short program elements will be skated for the 2023-2024 season.

This competition is open to all eligible, restricted, reinstated or readmitted persons as defined by the Eligibility Rules.

Skaters must be a currently registered member of a U.S. Figure Skating member club, Learn to Skate USA member, a collegiate club or who is an individual member in accordance with the current rulebook. For non-U.S. citizens, please refer to the rulebook for more information.

COVID-19 INFORMATION: For the most recent U.S. Figure Skating COVID-19 policy requirements, [CLICK HERE](#). Lakewood Winter club and Sprinker Recreation center will follow all local and state laws, or policies set by U.S. Figure Skating.

EXCEL :

Mayblades 2024 will have Excel but will not be part of the Excel Series. Excel levels, Beginner – Senior.

- Excel Free Skate Events to be judged IJS: All Excel “PLUS” levels (Preliminary Plus, Pre-Juvenile Plus, Juvenile Plus, Intermediate Plus), and Pre-Juvenile through Senior levels.
- Excel Free Skate Events to be judged 6.0:Pre-Preliminary, Preliminary.

II. ELIGIBILITY

TEST LEVEL:

As of December 1, 2022, singles athletes may opt to accelerate their test progression within U.S. Figure Skating and thus compete at level(s) best suited for their technical skillset. Athletes must still meet the minimum requirements for each level and additionally, if participating within the National Qualifying Series (NQS) or National Excel Series (Excel), they will establish a **competitive floor** (i.e., the lowest level they can compete at).

The **competitive floor** is determined only by the level selected through the EMS Series Application for NQS or Excel and is not uniquely tied to competition registration (regardless of series participation).

Example, if an athlete passed their Junior Free Skate test in November and competed in the 2022-23 NQS as a Novice from July - September, they may register for either Novice or Junior in Excel or well-balanced events. The Novice level will remain their competitive floor until they complete an EMS Series Application at the Junior level or higher for NQS or Excel.

Example #2, if an athlete passed their Juvenile Free Skate but has not competed in NQS or Excel (i.e., they have not established a competitive floor), they have the option to compete Pre-Preliminary – Intermediate (if skate up is permitted). While the options are wide, U.S. Figure Skating entrusts the coach to guide the athlete to select the appropriate level for the athlete based on their technical skillset.

Eligibility Notes:

1. The singles free skate test levels will remain as a minimum requirement to compete.
2. Athletes may not skate down in any event.
3. This update does NOT apply to Adult, Showcase and Solo Dance.

If an athlete, coach, parent and/or guardian needs assistance with confirming their eligibility, email events@usfigureskating.org or refer to information sheet [HERE](#).

All compliance requirements must be met at the time of check-in to access the competition, no exceptions.

With Entryeeze, coaches must be included within a skater/team's registration or updated through their Entryeeze Skater Portal via “[My Coaches](#)” or “Team Personnel.” All coaches declared at the time of registration will be included on the registration confirmation email. Note: There is no registration approval process within Entryeeze as the data (membership and test level) is tied to the U.S. Figure Skating database. Non-compliant coaches will receive automated email reminders through the start of the competition.

SPECIAL AWARD:

The Al & Iria Beeler Artistic Award – Al and Iria were the driving force that kept the Lakewood Winter Club and the Lakewood Ice Arena together from 1960-1982. They started going to the ice arena in 1953 when their daughter, Marianne, started skating. Iria started working at the rink as a bookkeeper in 1954 and became the manager in 1968, a job she held until the rink closed in 1982. Al became very active in the club and was president for eight years. He also held other offices such as treasurer and test chairman, and he served on the Board of Directors for more than 25 years. He became interested in judging and earned his Gold judge credentials. He was also very involved in the annual ice shows and spent countless hours building

props. He worked tirelessly when the LWC hosted the 1987 U.S. Figure Skating Championships in Tacoma. When the Lakewood Ice Arena collapsed in 1982, Al worked hard to forge a relationship with Pierce County Parks & Recreation Department, allowing the LWC to transfer its operation to Sprinkler Recreation Center. In their honor, the Lakewood Winter Club will present this award to a skater from the Intermediate through Senior Level, who the artistic judges feel presented the most artistic Free Skate performance.
