II. ELIGIBILITY

Singles: Excel and Well-Balanced Events:

- Skaters must meet at least the minimum singles test requirements for the event's level. A skater's singles test level may be higher than the minimum requirement.
- Skaters may not register for an event level lower than allowed by their competitive floor. An athlete's competitive floor is set by one of the following scenarios:
 - o If an athlete has a paid EMS series application for the NQS series, the event level registered for in the most recent NQS will become the lowest level they may compete at in any U.S. Figure Skating sanctioned event.
 - o If an athlete has a paid EMS series application for the Excel Series, the event level registered for in the most recent Excel series will become the lowest level they may compete in any Excel event. For Well-Balanced and Specialty events the skater will be permitted to register at one level lower than the "floor" set by their excel series entry.
 - o If an athlete has never had a paid EMS series application in the NQS or Excel series, the athlete may select their level based on their goals and technical skills as long as the minimum test requirements are met.
- Skaters are not permitted to enter an Excel free skate and a Well-Balanced free skate event at the same competition (example: Juvenile Girls Free Skate and Juvenile Girls Excel Free Skate). However, they are permitted to enter an Excel and a Well-Balanced event of different types such as a short program (if stand-alone event option), specialty or showcase events (example: Intermediate Women Short Program and Intermediate Women Excel Free Skate).

- For more details about establishing event levels, refer to the information sheet [HERE](#) or email events@usfigureskating.org.

All other singles and partner events:

- Skaters must meet the minimum test requirements for the events level, but not exceed the maximum permissible test requirement.

The Al & Iria Beeler Artistic Award – Al and Iria were the driving force that kept the Lakewood Winter Club and the Lakewood Ice Arena together from 1960-1982. They started going to the ice arena in 1953 when their daughter, Marianne, started skating. Iria started working at the rink as a bookkeeper in 1954 and became the manager in 1968, a job she held until the rink closed in 1982. Al became very active in the club and was president for eight years. He also held other offices such as treasurer and test chairman, and he served on the Board of Directors for more than 25 years. He became interested in judging and earned his Gold judge credentials. He was also very involved in the annual ice shows and spent countless hours

building props. He worked tirelessly when the LWC hosted the 1987 U.S. Figure Skating Championships in Tacoma. When the Lakewood Ice Arena collapsed in 1982, Al worked hard to forge a relationship with Pierce County Parks & Recreation Department, allowing the LWC to transfer its operation to Sprinker Recreation Center. In their honor, the Lakewood Winter Club will present this award to a skater from the Intermediate through Senior Level, who the artistic judges feel presented the most artistic Free Skate performance.
