

Gel VANDALISM mark remover

High Solvency cleaning power
Removes all kinds of graffiti with little effort needed

This versatile and effective gel formula is specifically designed to eliminate vandalism marks from a variety of surfaces. Simply spray the product directly onto the affected areas.

Directions:

1. Shake well before each application.
2. Spray from a distance of 20-30 cm.
3. Let the product sit for several minutes to take effect.
4. Wipe off with a cloth or rinse thoroughly with a strong stream of water. Repeat if needed.
5. For porous surfaces, pre-wet the area with clean water before applying the product.
6. For tough stains, use a stiff brush before rinsing with water.
