

CRETE CLEAN

CRETE-CLEAN: Powerful Acid-Based Cleaner and Degreaser

CRETE-CLEAN is a highly effective cleaner and degreaser, utilizing its acidic composition to enhance the cleaning power of organic surfactants for exceptional results.

CRETE-CLEAN penetrates deep into concrete and interlocking stones to remove gas and other stains, restoring surfaces to a "like new" appearance.

Applications:

1. Apply CRETE-CLEAN to the affected area and let it sit for 5 minutes.
2. Agitate with a deck scrub brush.
3. Hose down the area thoroughly to flush away dirt and cleaner.
4. Reapply for deeper cleaning.
5. For lighter cleaning, dilute CRETE-CLEAN up to 5:1 with water.

Benefits:

- Powerful cleaning ingredients for exceptional performance.
- Excellent results with minimal effort and time.
- Restores surfaces to a "like new" appearance.
