

Grill Cleaner

Directions for Use:

1. Turn Off Power: Switch off electricity or turn off the pilot light.
2. Protect Surroundings: Adequately protect the floor under the oven and all surrounding external surfaces.
3. Remove Oven Racks: For easy application, remove the oven racks.
4. Shake Well: Shake the bottle well before using.
5. Spray Properly: Always hold the bottle upright. Spray on the grill and internal surfaces, including the glass door, from a distance of 20-30 cm.

Precautions for Food Plants:

Rinse Hands: Personnel must thoroughly rinse hands with potable water after using this product and before handling food or food equipment.

Avoid Contamination: Avoid contamination of food during use.
