

PROPHETIC AND BLESSING WORD 2023

WORDS BY PASTOR JI
(Isaiah 43:19)

Because you made the Lord as your first and personally you committed your life in the hand's of the Lord and you made in your heart, that you belong to the Lord that's why Lord says, "I will make you fruitful, never again you will remain unfruitful in everything".

Also, Lord is giving you extra power you will never be the same again. God is restoring the **power** in the spirit so that in the physical you will have extreme **power** of God working in you in everything you do, God will be with you to **empower** you to accomplish things.

People may say it is impossible but you will have **power** to accomplish it for the glory of God. Lord is bringing His wish and His will to accomplish. You lay down your wish and your will so that you are dedicated. Today you're dedicated, you are committed in the hand of the Lord.

Some of you are thinking like David that you are unable, you are small but Lord says, "My **power** will rest upon you to accomplish the work that is impossible, so through your life My name be glorified." Some of you are thinking that I am unable but Lord will give you **power** like Samson. Some of you are thinking I couldn't speak but God is putting His **fire**, **His Word** in your mouth like Jeremiah so you can **bless** many families.

This is the **time of change** in your life, you will never look to your needs, your necessities but you will stay in **faith** and begin to help in the things of God and God will **add every blessing** in your life.

WORDS BY SISTER JI

Many of you thought that in your bad situations, you are finished but God says, "I'm not yet finished with you and I'm about to move in your life with heavy and **greater** things. Where you are helpless and standing alone **I'm there** beside you always. That path that you go through, before you could take a step **I will go ahead of you.**"

The Word of the Lord says, "**you are beloved and close to my heart**, in your troubles **I will not allow you to end up I will stand firmly** and show my **power** in your troubles, **enemies will see my power over you**. You trust me, you fear me, you honour me for that sake **you will see Me extremely working through you, no power of the darkness can stand against you.**"

Spirit is saying, "He will show you the **bright morning everyday** in that morning, there **won't be sorrow**. I will **satisfy your soul**; the **heavy happiness**. Your soul **won't be quenched** your soul **won't be weak** I will make it **stand till the end**. Where you say you are finished **I will begin with you**, you will not see the end **you will see the beginning.**"

Many of the hearts are tired and weary and fed up, Spirit of the Lord says, "Do you not know **I am behind you I am the One who will strengthen every moment** of your situation **I will not allow your soul to be dry I will satisfy and boost your soul**. God says, "I will show **My perfect love** into your life where you not thought I will think about you, where you said I have forgotten **I will never never forget you.**"
