March 20, 2020

As more updates are being released regarding COVID-19, we want to inform you that we will be abiding by the Arizona Executive Order and supporting all recommendations from the Arizona State Board of Dental Examiners. This means that we will temporarily be shifting our focus to attend essential care.

To help free up medical resources and maintain the capacity for hospitals, our services will be available as needed for emergency and/or urgent care. To take appropriate and enhanced precautionary measures for patient safety, as well as for the safety of our staff, we will be completing pre-screenings to our patients.

Both of our offices will remain open to support this matter, if you have any further questions please feel free to call any of our locations. We will continue to monitor all updates and recommendations as they arise. Thank you for your comprehension.

Sincerely,

Gallemore Dental Group
