

Cancellation Policy

Office hours are by appointment and we do value your time. Appointment time is reserved for you and we ask that you be courteous of our time as we are of yours. Where appropriate, we prefer to schedule longer appointments so we can complete as much needed dental treatment as possible during one appointment. We feel this type of scheduling will cause minimal disruption to your daily schedule and will provide efficiency in completing your dental care. When you make an appointment, please be sure that you will be able to keep it.

Morning appointments may be best for more complicated procedures. Emergencies and unforeseen patient treatment problems may arise, causing schedule changes. Emergencies are unexpected and seem to come at the most inconvenient times. If you have a dental emergency that needs immediate attention, we will always offer to see you at once. We expect that other patients who might be slightly inconvenienced by this will be understanding of the situation. At some point, they may need the same courtesy too!

Like many offices, this office does call to confirm your appointment. Please make a note of any dental appointments we have scheduled in a place where you will be easily reminded. If you cannot make an appointment as scheduled, please notify the office. There will be a charge of **\$25 fee** for appointments missed without 24-hour notification or canceled appoints without 24-hour notification. Our office has the right to notify every failed appointment to the insurance which may affect your eligibility status.

If you have any questions about our appointment cancellation and no-show policy, please feel free to ask us.
