

1ST ANNUAL

FALL CHARITY TRAIL RIDE

We need your help to continue helping others

HORSE Therapies is therapeutic riding and driving program where clients of all ages with a range of physical, emotional, behavioral and cognitive disabilities experience freedoms they have never felt before.

HORSE Therapies is hosting our First Annual Fall Charity Trail Ride and we need your help! In order to make this event a success, we are looking for event sponsors. No amount is too small or large. All monies raised from this Charity Trail Ride will go to riding scholarships, horse care and program development. Every sponsorship will receive a donation receipt and thank you letter.

We hope you join us in our mission to build a partnership between horses and humans for healing the mind, body and soul.
