

In our first 6 months of operation we were able to serve many frontline workers and agencies with an amazing 96% of our spending going toward our mission. We delivered healthy snack care packages to 13 agencies and made the following classes available to frontline workers: financial wellness 8 participants, mindfulness 6 participants, stress relief painting 3 participants. Frontline Wellness Program info below.

2022 Program Numbers

Spending

Marathon County Frontline Wellness Program served 46 Frontline Workers in 2022 with 16 participating in Yoga, 1 in meditation, 24 receiving therapeutic massage, and 5 receiving 2 month gym memberships. The Marathon County Frontline Wellness Program was made possible through a grant from the B.A. & Esther Greenheck Foundation and will continue into 2023.
