October 18, 2018

Dear Sir or Madam,

We are requesting your sponsorship and/or donation for the Dallas Women's Success Initiative Conference on March 29th- 30th, 2019 in Dallas, Texas. We believe this request fits under your giving area of community-based outreach programs.

DWSI Conference is the first and only innovative action planning conference in the DFW metroplex created to educate, enrich, and elevate women, which is the DWSI E3 model.

It is the vision of the DWSI to celebrate Dallas/Fort Worth metroplex women, provide a plethora of information, and create a stimulating atmosphere with life skills training/coaching, financial planning, purpose building, networking, and mentorship opportunities. DWSI attendees leave with valuable information and action plans to use in their personal and professional lives. Our vision and mission are central to our efforts in generating funds to help stop bullying through family and educational initiatives.

The Dallas Women's Success Initiative Conference is a foundational program of the Stopping the Madness Antibullying Foundation which was founded by Amazon bestselling author, A'Mera Frieman and her husband, Zach, after dealing with the bullying effects on their son and their discovery of subsequent parental information gaps in the surrounding environment. The Stopping the Madness Antibullying Foundation is a verified 501(c)(3) (ID 46-5662696) nonprofit foundation dedicated to providing life coaching, advocacy, and community assistance programs to individuals affected by bullying. All donations are 100% tax deductible.

Please consider donating to assist the Dallas Women's Success Initiative and help us to increase our reach to the women and girls in the DFW area.

Please feel free to contact the us at administration@stoppingthemadness.org

Sincerely,

A'Mera Frieman
Co-Founder and Executive Director
Dallas Women's Success Initiative (DWSI)
