*Please note all prices are starting from prices, the final price will be confirmed upon a health/coat check being performed at the time of appointment. Deviations from price will apply in circumstances such as: -

- The dogs coat is matted/knotted resulting in extra time spent grooming. (Severely matted coats requiring a shave off will incur an additional fee of £5/£10 on top of the original groom price).
- A scissored cut is opted for (please ask for alternative pricing).
- Hand stripping which is currently set at £40 per hour.
- Identification of fleas which will require a flea bath and sterilisation of the workplace. This will incur an additional cost of £10 on top of the original groom price.
