# SPONSORSHIP PROSPECTUS

LIGHT EARTH'S  
DESTINY (LED)

# WHAT IS LED?

LED is a student-run non-profit organization in the process of applying for 501(c)(3) tax-exempt status. LED promotes environmental education and engages our community's youth to be stewards of Earth. We are a group of high school students based in Silicon Valley.

# ABOUT OUR EVENT

Our **Eco-Art Contest**: LED calls artists ages 5-18 to use creative expression to **raise awareness** about environmental issues and/or revere the beauty of nature. By **collaborating with art studios** from around the Bay Area, we hope to **inspire youth** to use their voice and skills to advocate for environmental protection. LED will **display all work** submissions on our website's gallery to value every participants' contribution. Prizes will be awarded to the top 3 winners of each group level: elementary school, middle school, and high school.

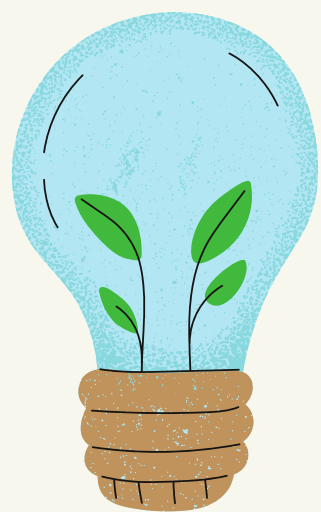

# WHY SPONSOR US?

As students who are extremely **dedicated to boosting environmental literacy**, LED's events are uniquely selected to enhance understanding of environmental issues, increase citizens' participation, and develop our **community's social responsibility**. Because LED's mission and values align with yours, our partnership would be **mutually beneficial** as we push together for social and environmental change. As passionate, committed, and devoted students promising high-quality projects, we will effectively make use of all of your funding.

# BENEFITS OF SPONSORING US

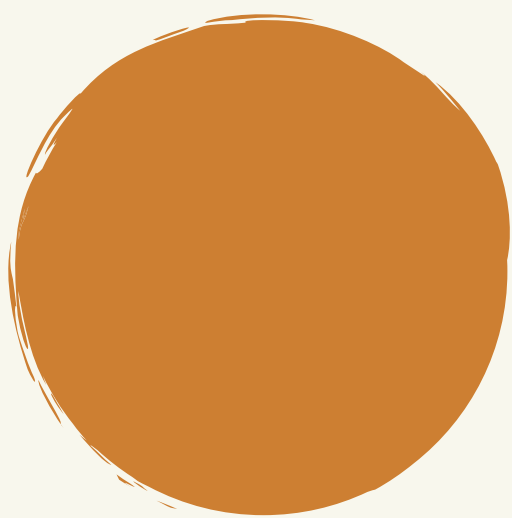

LED is the ideal place to promote your company and receive positive **brand recognition among youth**. While our organization is still fairly new, your institution will gain appreciation and **exposure on our platforms** for supporting our cause. LED makes it a top priority to bring a greener, healthier, and happier future to YOUR planet. Also, if the 501(c)(3) application is approved within 12 months of your sponsorship, then all funds made to LED will be tax-deductible.

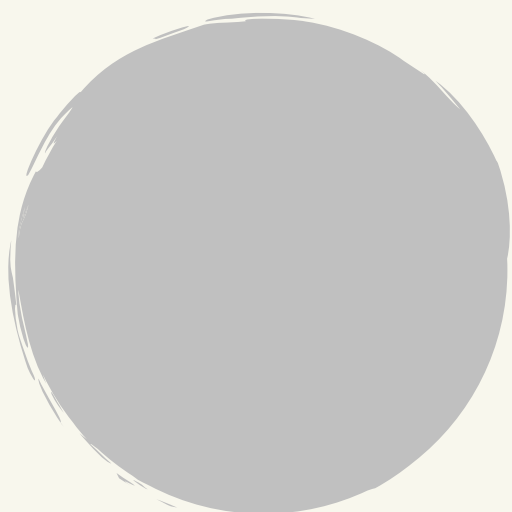

# WHAT ARE WE ASKING FOR?

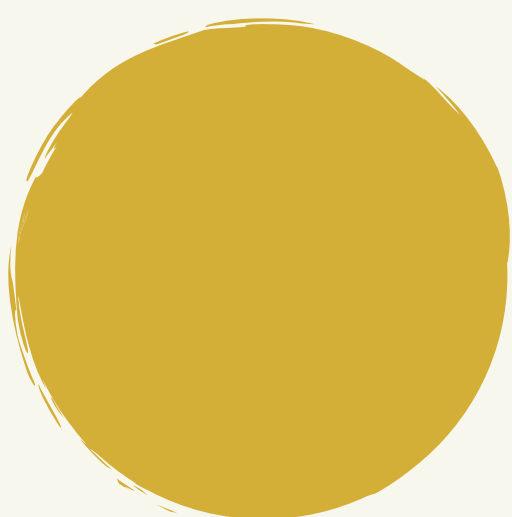

## Sponsorship Tiers:

Bronze: \$700

Silver: \$1000

Gold: \$1500

# WHERE WILL THE MONEY GO?

The money will entirely be used to **buy three prizes for each group level** (nine prizes in total).

We guarantee that these prizes will be **100% environmentally friendly**, to encourage the continuation of eco-friendly practices within our community. Some examples of prizes include a S'well water bottle (\$45), a Pela phone case (\$45), and sustainable clothing (\$100). The first place winner of each category will also **win a free copy of LED's founder's book**, "Becoming Earth 2.0," to allow youth to learn more about environmental issues in a fun way.
