

THE LISTENING POST

August 23, 2021

eller_ruth@cusdk8.org

Mrs. Eller

Week at a Glance

Please Note:

This is the first "real week" of school. So, we are ramping up with homework slowly. Next week we will add some. By week 3 we should be on our normal routine.

Mon.

Spelling: Write your words in ABC order 2 times (refer to sample I gave you which should be in your binder)

Math; Lesson 1.1 (Worksheet from textbook)

Tue.

Math: Lesson 1.2 (Worksheet from textbook)

Wed.

Math: Lesson 1.3 (Worksheet from textbook)

Thur.

Spelling: Get someone to quiz you on your spelling words. **TURN IN THE PAPER YOU USED FOR THE PRACTICE QUIZ. The paper must be graded, signed by mom or dad,** and any misspelled words must be practiced on the back. Do it just like the sample paper I gave you - it should be in a sheet protector in your binder.

Math: Lesson 1.4 (Worksheet from textbook)

Fri.

Math: Lesson 1.5 (Worksheet from textbook)

No Other Homework! Hooray!

Math Homework FYI

My goal is to provide time at the end of the math lesson for students to get started on their math homework. However, I will DEFINITELY plan on giving plenty of time on Fridays if there is math homework. **My goal is for students to not have to do homework on the weekends.**

Thank you so much!!

The class donations and the \$8.00 for the agenda have almost all been sent in! I appreciate this SO MUCH! Also, all the Ellerbees have all necessary supplies for school. You are on it! WOW!

WEEKLY SPELLING

Please check out the "Spelling" page on our website. It will explain the spelling homework and what I mean by the "No Excuse Words" posted to the right. Thanks!

Back to School Night

Please mark your calendars! Back to School Night is this **Wednesday, August 25th, at 6:50. It will be held VIRTUALLY on a Google Meet. I will email you the link today (Monday).**

Class Website

Dear Parents,

I have updated and activated our classroom website.. The URL is <http://rutheller.net>.

This website is designed to provide you with important classroom information. It will be updated weekly with the Listening Post and other information as needed. Ideally, **before we meet on Wednesday, I would like you to go to the website and read about general policies including homework, communication, math facts, birthdays, Word Power, spelling, and more.** Please feel free to email me for clarification.

Math Facts

Daily homework will include practicing math facts. Each school night, please print out (see website) two 100 problem math times tables facts. Students have been given a 2 or 3 minute goal. Time your child and have him/her complete as much as possible within the time given. All 10 practice sheets will be due each **Monday** along with the signed coversheet. The website has more details. **This will begin NEXT week.**

The "Blue Folder" & Agenda

Please make sure to check your child's Blue Folder and Lincoln Agenda every day. Please work on a daily routine as this will help make this a habit for each school day. **FYI: Agendas are backordered. They may be late. They have not yet arrived. Stay tuned...hopefully they will be here next week. Fingers crossed...**
