

**Dear Room 10 Families,**

***In order to provide the Cupertino Union School District information about our students' social-emotional wellness, we have partnered with Panorama Education. If you gave consent for your child to participate, they will use the highlighted link below to access the survey. If you did not give consent, your child will not be able to access the survey. Your student will enter their 6 digit Perm ID number to gain access to the survey. It should take 10-15 minutes for them to complete. While it's important that you be there to help your student if they need assistance, they should answer the questions themselves. Please help to make sure that your student completes the survey by October 16.***

***After answering all of the questions, click the blue button at the bottom of the screen that says, "Submit." When you see a final "Thank you" screen, it means the student is done.***

***Below you will find additional information and resources to assist you with supporting your student(s) as needed.***
