Determine If Something is Important

Chapter 1 Page 5

Oh no! There is a huge battle when Captain Orlov tried to sneak away without paying! And now Karana's dad is dead and most of the other men too! Karana's life is changed forever. She probably will be so sad. How will the tribe survive now?

Inferring Something that Isn't Explained (Figure Out Clues)

Chapter 1 Page 5

Even though Captain Orlov says he is greeting Chief Chowig in peace, he doesn't act friendly at all. Instead, he stands arrogantly and shouts too. Then he starts an argument about owning the ocean. He doesn't seem like someone to trust.

Understanding What the Character is Feeling

Chapter _____ Page _____

I totally get why Karana is horrified when she hears her father tell Captain Orlov his secret name! Why would her father trust him? It's pretty obvious that he is not kind. In her tribe secret names have magic and you don't use them lightly or they will lose their magic!

My Brain is Asking Questions and Wondering About Things

Chapter 1 Page 7

Should they trust Captain Orlov? First, he didn't want to be fair about paying. But then he looks at all the tribe's men standing there and **SUDDENLY** he smiles and agrees! Weird! Why? I'm thinking maybe he is faking it?

Using My Schema to Help Me Understand What's Happening

Chapter _____ Page _____

One time I had a friend act really nice to me. She promised to come to my birthday party. But she suddenly wouldn't talk to me and I never understood why. This helps me understand that sometimes people don't tell you everything and it's hard to understand. Sometimes people can't be trusted. Maybe Chief Chowig shouldn't trust Captain Orlov since he's acting suspicious.

Feeling Like I Am INSIDE the Story

Chapter _____ Page _____

En I felt like I was inside the story because I wanted to scream during the battle with the Aleuts. I had that "scared to death" feeling. What would happen? Would anyone get hurt? And then was Chief Chowig was shot, I felt like I couldn't believe it. What will Karana do now? She's 100 times sadder than me!
