# ELECTRICITY

Conductor or Insulator? Predict if the light bulb will light up. **That means you choose yes or no BEFORE you try all the items.**

FYI: Your grade is NOT based on if your predictions were right or wrong so don't be worried. It is based on your correct results, your comments, and the 2 questions at the bottom.

Item	Predictions		Result	Comments/ stuff you noticed
	yes	no		
pencil				
popsicle stick				
paper clip				
pipe cleaner				
chalk				
magnetic tape				
foil				
Screw/brad				
rubber band				
rock				
twist tie				
yarn				
cardboard				
I think all the conductors worked because they all ...				
I think that _____ was the best conductor because...
