Week at a Glance

Mon.

Math Facts & Oxymoron Hunt

Math: Lesson 6.6

Reading: Check agenda

Tue.

Math Facts & Oxymoron Hunt

Math: Lesson 6.7

Reading: Check agenda

Wed.

Math Facts & Oxymoron Hunt

Math: Lesson 6.8

Reading: Check agenda

Thur.

Math Facts & Oxymoron Hunt

Reading: NO READING (See Book Club info below.)

Math: Chapter 6 Practice Test. Please go over this at home and practice anything that seems tricky.

Remember, this is a twin of the real test. Get a parent signature.

TURN IN OXYMORON HUNT

Fri.

Math Facts

Want to Join Chorus?

Chorus for 4th and 5th graders are starting this week! Hooray!

IF you want to join, make sure to have your mom or dad sign the permission form. This was posted on Parent Square. Print it out and bring it on THURSDAY. At lunch, take your lunch and the permission slip, and go to the multipurpose room at lunch.

DEADLINE!

Last day for Survival extra credit is Thursday, January 26. This is optional.

California Missions

Almost everyone has sent in the \$10 donation for our field trip! Hooray! Please send this in this week.

Everyone has signed their permission form! Another hooray! Stay tuned for more information.

Book Clubs

We are meeting every Monday.

ALSO, during the week, I meet with book partners to discuss their thinking.

Please remember that your post-its must be about "under the ocean" thinking, not just the plot.

We've been practicing this since August.

However, since I am not reading these books out loud, it is a little more challenging. You should write post-its each night and not wait until the end of the week. Remember, rushing is not your friend! Talk with your book reading buddies and your mom/dad if they are reading the book too.

IMPORTANT:

There will be a substitute on Friday. Because of this, we will have our Partner Check-In on Thursday morning. So the reading schedule for Chunk 2 needs to be changed. Everyone needs to write the new reading schedule IN YOUR AGENDA on Monday.

Oxymoron Hunt!

It's time to hunt!

Since there is a sub on Friday, this will be due on Thursday. So if you have 12 to 15 oxymorons, you will get a grade of 3. Extra oxymorons will give you extra points. Are you thinking "good grief?" (Get it? LOL!)
