Spelling: Get quizzed. Grade it and get it signed.

Reading: Check agenda/reading contract

Math: Lesson 6.8

**Fri.**

Math Facts

Turn in Word Hunt and Word Power

## writing this week

We have finished planning our opinion essay! This week we will be writing our introduction. The teacher model and information is posted on our class website. This should be done by Friday.

## No Excuse Words

again	against	always	surprise
between	brought	comfortable	course
during	early	example	either
ground	heard	however	forward
due	do	impossible	problem

## California Missions

We are continuing to learn about California Missions.

We will be doing another SMAART sheet for Background Sheet 3. Keep up the good work

on working together to write good answers as a team. This week you will need to be more independent. We will definitely read the information together and I will provide lots of support. **But no copying!** And, we will get to play TWO rounds of the Mission Control game. Hooray!

## Book Clubs

We are continuing to meet every Monday with our book clubs.

Since we are reading different books, don't forget to write the daily reading in your agenda for the week's chunk. This is written in your Book Contract calendar. This should be in your reading binder.

REMEMBER:

1. There is "wiggle room" with the daily reading. The important part is to have it finished by Thursday night.
2. It is important NOT to read ahead!!
3. For each chapter, write one or two events that you think might be on the Top 4 list on a post-it.
4. On Thursday, discuss with your book club and/or a parent who is reading the book with you and **decide the Top 4. Then fill out the reading log.**
5. **Each book club will meet with me on Friday to discuss this.**
6. **Make sure to get your reading log signed. This is due on next Monday morning.**
