Math: Lesson 10.5

Reading: Study for Final Thoughts/get signature

**Thur.**

Math Facts

Math: Lesson 10.6

Reading: Study for Final Thoughts/get signature

**Fri.**

**NOTHING! After all, we are starting vacation!!!**

## Because of the test

We will be studying all week for the Final Thoughts test. There will be no:

- ☀ **Word Power**
- ☀ **Word Hunt**
- ☀ **Spelling**
- ☀ **No Reading Log**
- ☀ **No Rock Collecting**

## Need a Protractor

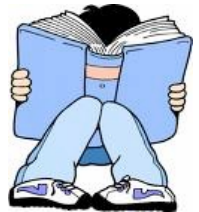

About half the class got a protractor last week.

Hooray! And almost everyone had a A+ one!

We need to use these soon so please bring one ASAP! Please refer to the sheet sent home with tips for a good one.

## Book Clubs Final Thoughts

### We have finished our Book Club books!

That means this week we will be preparing for the Final Thoughts test on Friday. We will spend time each day preparing together for the test. I will also meet with each book club daily to provide help and feedback.

On the Test Support website page there is a link for Final Thoughts Book Club. As always, the format of the test remains the same. No surprises! The 4 parts will be: 4 boxes, plot map, how a character changes, and theme.

Each day we will write what our study evidence is in our agendas. You will need to do this daily, and you will need a parent signature Monday through Thursday to verify that you studied for at least 30 minutes each evening.

**The test will be on Friday morning.**

Room 10 has some pretty special students looking forward to showing off some pretty special projects. We hope you can make it to Open House THIS **Thursday**, from 8:15 a.m. to 9:00 a.m. Hopefully you can just pop in as you drop your student off at school. There is no presentation so you don't need to carve out a whole hour. Just come in, have fun, and then feel free to head out.

Here's a hint...we "mustache" you what has been the best part of fourth grade! LOL! You'll get that when you show up to room 10. I can't wait to see you all! Please mark your calendar!
