

THE LISTENING POST

August 29, 2022

eller_ruth@cusdk8.org

Mrs. Eller

Week at a glance

Mon.

Math Facts - 2 sheets

(DON'T FORGET: Math facts pages (10 pages) and signed half sheet stapled on top is typically due on Mondays. This will be on-going throughout the year. This time it will be due on Tuesday after Labor Day.)

For details refer to the class website.

Spelling: Write your words in ABC order 2 times (refer to sample I gave you which should be in your binder)

Math: Lesson 1.5

Tue.

Math Facts - 2 sheets

Word Power: Write 2 meaningful sentences for the word "reluctant." Look at the description of a meaningful sentence on the website or in your binder.

Math: Lesson 1.6

Wed.

Math Facts - 2 sheets

Math: Worksheet "Estimating Practice"

Thur.

Math Facts - 2 sheets

Math: Worksheet "Comparison Bars 1"

Spelling: Get someone to quiz you on your spelling words. **TURN IN THE PAPER YOU USED FOR THE PRACTICE QUIZ.** The paper must be graded, **SIGNED BY MOM/DAD**, and any misspelled words must be practiced. **Do it just like the sample paper I gave you - it should be in your binder & it's on the website.**

Fri.

Math Facts - 2 sheets

Math: Worksheet "Comparison Bars 2"

Word Power!

Word Power begins this week. **Please go to our website to read all the information about it.** Then take a deep breath, because we are just going to PRACTICE it together this week. We will all be using the same word and learning the process. There will be lots of "hand holding." Whew!

Spelling homework

Last week there was a lot of confusion about the spelling homework. The idea is to PRACTICE the words on Monday. Then get QUIZZED on Thursday. The models are on our website and in your binder. Please check them carefully.

No Excuse Words

rough	peace	a lot	sugar
reason	once	another	does
trouble	piece	began	dose
because	copy	very	until
around	which	aunt	ant

Back to School Night

The moment we have been waiting for has finally arrived! I'm looking forward to meeting with you! This year we will be meeting in person. Please come directly to room 10.

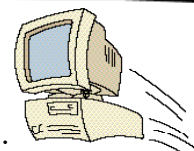

The time for 4th grade is 6:00 to 6:45. Before we meet please make sure you have checked the class website. I will be highlighting some of the information but there won't be time to discuss all of it. You can always contact me for clarification.

Agendas/Blue Folders

Students, one important part of staying organized and coming to school prepared is to check your agenda DAILY. **Parents, even though this is your child's responsibility, s/he needs your support.** Please ask to see the agenda and Blue Folder daily. All items should be written down like a To Do List. Please make sure each item is completed/in the Blue Folder and then check off the item. Please make sure to **see** the completed items. Also, keep in mind that notes about "leftovers" might be written down in the agenda and also sometimes I will write notes in the agenda too which will need a signature. Establishing this habit right from the beginning of the year will help your child on his/her journey towards responsibility and problem solving.

Got Email?

Students, please make sure to get an email account and send me an email.

I recommend having a shared account with your parents. Students, please email me by this Friday so I know you have access to email. In order to do this, you need to know your email account AND your password. **Please write both in your agenda.** Next week, I will ask you to access your email at school so that I know you can do it. If you are setting up a new account, I recommend you using the same password that you use for your Google Drive. **Parents please help and make sure to write the password down for your records AND in your child's agenda.** Thank you!

Math Facts

We are starting to do our math facts (times tables) this week. **NEXT Tuesday** is our first time to turn in the practice sheets and cover sheet. We are just getting used to the routine so feel free to ask questions. **Also, this routine is fully explained on our classroom website so check it out.** Thanks!
