MISSION CONTROL

We are starting a new social studies unit! Think about being a California Native American and one day a ship arrives and some unusual people land near your village. We will learn about how this changed their lives **FOREVER!**

Of course we'll learn a lot. BUT, we will still have a lot of fun! We will learn about how they built missions and became the rulers of California. But, there's always a fun part! We will also play a fun team game together. The winning team by the end of the unit will earn an amazing prize! Stay tuned for details...

Book Clubs

We are starting a new book!

This time each book club

will be reading a DIFFERENT book.

So it's important to check the new Reading Contract to know what chunks you are reading each week. This should be in your reading binder.

The format of the week will remain the same.

- Read your chunk assigned each week as homework. Some time in class will be provided every day for this. But, if you don't finish at school, you need to finish at home. You need to look at your book club contract to know what to read each day.
- For each day's reading, choose 1 or 2 things that you think could be on the Top 4 Important list. Write these as jot dots on a post-it. You can confer with your book club.
- Make sure to save your jot dots!
- On Friday you need to make a final decision about the Top 4. You will meet together as a book club, share your ideas, and decide your Top 4. THEN, you will have time in class to write meaningful post-its for these four.
- IN CLASS on Friday we will have our book club meeting. It's a minimum day so if we run out of time, this will happen Monday.
- On Monday the graded reading log will go home. Get parent signature on Reading Log. **This will be due on Tuesday.** (This may be delayed one day per comment above.)
