NOTHING! FIELD TRIP DAY!!!

## because of the test

- ★ NO SPELLING
- ★ NO WORD HUNT
- ★ NO WORD POWER
- ★ NO READING LOG

## Survival Test

The big unit test will be Thursday. Study for the test using your background sheets and the study guide given to you today. You will need to take home your Background sheets each night and bring them back to class each day. **Get your agenda signed each night to confirm that you studied.**

Remember, each day we will discuss together what the "evidence" for studying will be. You should write this in your agenda each day. **You need to bring this evidence to school each day.**

## San Juan Bautista Trip

**Please come FRIDAY,**

ready to depart on the bus  
to Mission San Juan Bautista.

**We are going...rain or shine!**

1. **Bring a lunch and water to drink.**
2. Dress in layers - be prepared for hot or cold.
3. **ARRIVE AT SCHOOL BY 8:10. IF YOU ARE LATE, WE WILL NOT WAIT FOR YOU.**
4. **Remember, all of 4th grade is arriving at this time so the parking lot will be crowded. Only chaperones should park.**
5. You may bring money to spend in the rock shop IF your parents say it is okay. It is not for buying candy or ice-cream etc.
6. **CHAPERONES, please arrive by 8:00 in ROOM 10 - we have a lot to go over so please be on time! Parking will be limited! If you're close enough to walk, that will help. I will send home special parking permits for you to put in your car in case you need to park on the street. Also, remember that at least 16 4th grade parents are chaperoning, which means they will also be parking. Please plan ahead so you have time to park, sign in at the office, and get to room 10 by 8:00 or earlier. So please take all of this into account as you make your morning plans.**
7. Thanks to the parents of Lexi, Avery, Maira, Isha, who will be chaperoning. Thank you!!

## Acorn Harvest Festival

Once the test is done, it is time for FUN! We will be having our Acorn Harvest Festival after lunch! You worked hard for this! You earned food and FOUR games! Woo Hoo!
