Week at a Glance

Mon.

No School No Homework!

Tue.

Math Facts

Math: Worksheet "Multiplication Properties 2"

Wed.

Math Facts

Math: Worksheet "Chapter 2 Review"

Thur.

Math Facts

Math: We will be doing the Chapter 2 Review Test that is at the back of the chapter 2 book. This will need to go home. Please show this to your parents and go over any problems that you missed or were a little difficult. You can use random problems from any of the lessons in the chapter to practice. **Make sure to get this review test SIGNED by a parent and bring it back to school tomorrow. The actual test is on Friday.**

Fri.

Math Facts

Halloween Party & Parade

A quick heads up:

We are going to celebrate on Monday, October 31st.

Come to school **already wearing your costume.** (Wearing a costume is optional of course.)

We will have a school wide parade. After that we will have our class Halloween party.

Then we will change out of our costume and have a normal rest of the day.

Costume FYI: Please do NOT include anything that reflects violence. No toy weapons, no fake blood etc.

Disaster Drill

We will be practicing our Disaster Drill on Thursday after recess.

This will involve exiting the building and getting organized on the grass. Students will learn the procedure and also practice wearing their pink emergency cards you already sent in.

not normal week

Due to a short week, the disaster drill, and having a sub on Friday, we are not having a normal week.

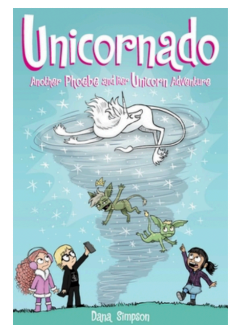

So that means:

- No Worst Power
- No Worst Hunt
- No Spelling homework
- No Reading Logs

Author visit!

NEXT WEEK on Wednesday, October 26, we will have an awesome opportunity to meet **Dana Simpson**, the author of the Phoebe and her Unicorn series!

More information is going home in the MESH folder this week. You will have an opportunity buy her newest book and get it signed by the author!

Library Books

We've missed library due to short days. Please make sure to return your library books at lunch this week. Thank you!
