**Fri.**

Math Facts

Word Hunt and Word Power will be turned in.

**READING LOG SIGNATURES will be checked.**

## Island of Blue Dolphins

We are taking a new step this week towards independence.

I will continue to read to the students, but I will ask them to work on writing deeper thinking for their post-its. A huge thank you for parents who are reading the book also. This will help you to give valuable feedback for post-its.

## No Excuse Words

important	location	Native	about
separate	Tuesday	follow	idea
often	Saturday	beautiful	chose
tomorrow	choose	conclude	build
summary	several	direction	raise

## SOCKTOBER

The Lincoln Student Council is sponsoring a special community opportunity. Please send in new socks for all ages.

These socks will be donated to West Valley Community Services. They will be given to families that are in need.

Thank you so much for donating!

## Deadline is Friday

## Survival

We have new names!

We have launched our new social studies unit called "Survival." This is about the California Native Americans.

You probably already know that we had an official naming ceremony last Friday. We all have new, genuine California Native American names. BTW, my new name is Coughing Fish.

We will be using these new names exclusively at school until our unit is finished. It is student choice if they want to use their new name at home.

## Native American Extra Credit

We are trying to earn survival points in order to achieve our goal of ending the unit with an Acorn Harvest Festival. To do this, you can work on an extra credit project. Remember, the more points we earn, the more fun we get to have at our festival. (FYI, this is completely optional.)
