#### Thur.

Social Studies: Study for your California Regions Test.  
Check agenda for today's evidence to turn in tomorrow.

Math: Use this time to study for the regions test.

#### Fri.

Nothing! Whew!

## PICTURE DAY WEDNESDAY

Picture Day is back! Hooray! Our turn to go is this Wednesday. Please return the envelope/payment that was sent home in the MESH last week by Wednesday if you would like to order pictures.

**No Math Facts!**  
**No Reading Log!**  
*No Spelling Words!*  
**No Word Hunt!**  
**No Word Power!**  
**Less Math!**

This is to make sure you have time to study for the California Regions Test.

## CONFERENCES

Teacher-Parent Conferences are scheduled starting Thursday.

Conferences are 20 minutes in length and they are scheduled **back to back**, so please do your best to log in on time. Please use the parents link. It is posted on the website on the Fall Appointments page. I am looking forward to seeing you!!

## California Regions Test

We will have our first social studies test on Friday. A California Regions Study Guide has been provided to help your child study for the test. Please make sure to take home the student guide each day. All the test questions will come from the information in this packet. "Test Support" on the website has been activated. Here you will find copies of the study guide and student guide. You will also find a blank map of California to help you practice writing features and cities down. A sheet is also posted to help you know what locations you should practice for the map. It is required for you to make flashcards to help you study. You should also practice using the map. **Each day you will have specific evidence you studied due at school.** PARENTS: PLEASE SIGN THE AGENDA EVERY NIGHT TO CONFIRM HOW MANY MINUTES YOUR CHILD STUDIED.

## Reading Post-its FYI

No reading homework this week! Hooray! However, an explanation of how post-its are assessed is now posted on our website under Thinking About Reading. More to follow later.
