Saturday	often	several	direction
tomorrow	choose	conclude	build
summary	location	chose	often

## Snack Pack in case of real disaster

Please send in a ziplock bag that has snacks your child can eat in case we ever had a real disaster. Please put his/her name on it. It should be food that will last all year. This bag will be kept with the class disaster materials and will be returned at the end of the year.

## Book Club

We are starting our first book club this week. Please check out the Reading Log page on our class website. This will provide much more details about how things are now changing. Please let me know if you would like me to clarify anything.

## Idiom Hunt this week

We talked A LOT about idioms last week! They are weird and wacky for sure!

This week we will not do our regular word hunt. Instead, we will be hunting for idioms.

You can find idioms written in books of course. But another good source is listening when people talk. We use them all the time. Doing a Google search for idioms is NOT allowed. So get your ears tuned to noticing idioms. Your goal is to find 15 or more.

## math test fyi

We will take the chapter 4 math test on Friday. We will consistently follow the same procedure every time. In the future you will always know when a test is happening because the night before the homework will be to go over the practice test at home with you.
