### Wed.

Math Facts

Reading Log: Check the agenda

Math: Worksheet "Make Sense of the Remainder"

### Thur.

Math Facts

Reading Log: Check the agenda

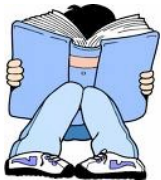

Math: Lesson 4.6

### Fri.

Math Facts

**READING LOG SIGNATURE! DON'T FORGET!**

(This means signing on **Thursday night**. A good strategy to help you remember could be setting an alarm.)

## Book Clubs

Book Clubs are starting!

You will check in with Mrs. Eller at the end of the week. This will help you

be prepared for the book club meeting that will happen on Monday. You need to show up on Mondays prepared for Book Club. This means you promise:

- I will have finished reading the "weekly chunk" (The Reading Log assignments from the week before.).
- I have at least 6 post-its in my week's reading "chunk" that show my best "under the ocean" thinking.
- And I have written down "What I want to talk about." (We will do this in class on Fridays.)

## book fair

The Lincoln Book Fair is this week, Our turn to go is on Wednesday! So bring some money if you want to go shopping! (FYI, a flyer went home last week about an online payment method.) This is optional. Family Night is Thursday. The Book Fair will be open from 5:00 pm to 7:00 pm. Come on down and have fun shopping!

## READING LOG CHANGE

Please note that the Reading Log format has changed.

### What is the same:

The students will still write 2 post-its per chapter to record their thinking.

**IMPORTANT:** Parent signature will still be required weekly. I will check signatures on Friday mornings.

### What is different:

There is a new section that gives space for teacher feedback. (This replaces what used to be a place for students to track their reading strategies.) Instead, parents will see teacher comments based on the weekly reading "check in." You will also see an overall assessment for each check-in. FYI:

+	=	amazing (like an A)
√+	=	very good (like an A-/B+)
√	=	grade level (like a B)
√-	=	concerning (like a C)
-	=	high alert (like a F)

This should help parents stay more connected to the process each week.

### Our New Focus:

Please check out the website. The Reading Log page is different and there is a Think While You Read page. This will give you important information about what we are focusing on for the rest of the year. We will be talking a lot about thinking "Under the Ocean."

**NOTE:** Please consider reading the book your child is reading throughout the year. The conference comments will only make sense if you are reading along. It will also help you have meaningful discussions with your child each week. Thanks!

**We are getting used to the new reading homework routine. So, for this week there will be:**

No Spelling, Word Power, or Word Hunt! Hooray!

**FYI: New Trimester Begins this week.**

The report card for the first trimester will be posted for viewing on Parent Vue on December 16.
