crazy idioms

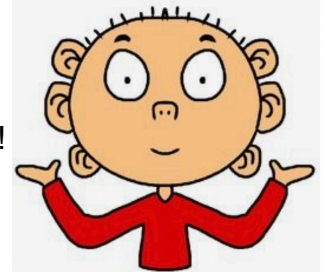

What is an idiom?! We use them all the time, and we don't even realize that they don't make sense! LOL!

For example:

- ◆ Hit the sack
- ◆ Piece of cake
- ◆ On cloud 9

Basically, idioms have secret meanings. You have to know the secret for it to make sense. We are going to learn about how this crazy thing happened and practice using them. So, I hope you break a leg! Ha ha!

We have had time to finish all the parts, including the resolution. Some of you are completely done. Hooray! Some of you need to finish the resolution or some other events. Check your grades and my comments to see if you need to finish anything. I'm happy to give you feedback!
