**NOTHING! HAPPY FEBRUARY BREAK!**

## Valentines Day

Our party is **THIS FRIDAY!** Hooray!

Remember, **if you bring**

**Valentine cards, it is required to include everyone in the class.** Also, you may attach a **small** treat to your valentines (optional).

(Cards are not required.) The class list was shared with the Ellerbees last week. A paper copy is available in class if you misplaced it. A HUGE thanks to our wonderful Room Parents for planning a fun party. We ALL appreciate you so much!

## Email Reminder

All the Ellerbees are becoming experts at emailing me with questions, submitting their work etc. Amazing!

However, the last thing to master is to use the **SUBJECT LINE** correctly. Don't use random subjects like "I fixed it." Don't keep sending the same email chain (which often has the wrong subject line) and this requires lots of scrolling to find the current comment. Thanks!

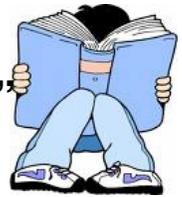

## Because of the Test

- ★No spelling!
- ★No Word Power!
- ★No Word Hunt!
- ★Math done at school only
- ★No Reading Log!

## Book Clubs

The "Final Thoughts" test is on Friday!

We will be spending a lot of time in class, preparing together. The students will meet with their book clubs to collaborate, and they will also be getting feedback from me. There is a test support link called Book Club Tests. Since we have different books, some of the examples cannot be as specific as they were for earlier books. However, the test will follow the same format that was used for the How to Steal a Dog test. There will be FOUR parts so check out the link!

Also, **each night there will be study evidence written in everyone's agenda. Students need to show up at school with the evidence and their parent signature each morning.**

## reading log

**We have been having a LOT of difficulty getting Reading Logs signed.** This is very routine - always Monday evenings. That should make it easy to set up little reminders and also to set alarms on devices etc. Your student is learning how to stay organized. This is an important life skill. Please partner with your child as you model ways to remember. Thanks for your help!

## Field Trip Permission Click

We have a field trip scheduled for March 27. We will be going to visit Mission San Juan Bautista. **The trip information was sent home via Parent Square.** Also, it included the place to indicate that you give permission for your child to participate. Please fill this out right away. We will be needing about 5 volunteers. Please let me know if you plan on chaperoning. FYI, we have room for 3 chaperones on the bus. Some chaperones will need to drive. Thank you so much!
