Reading Log: Check reading contract

Math: Lesson 9.3

**Thur.**

Math Facts, Word Power, and Word Hunt.

Reading Log: Check reading contract

Math: Lesson 9.4

**Fri.**

Math Facts

Reading Log WILL BE COLLECTED

## Missions Field Trip

Hooray! We are all set!  
Everyone sent in their  
donation and everyone has  
filled out their permission  
click form. **OUR TRIP IS  
NEXT WEEK. WOW!**

**FYI:**

We should arrive between 8:00 and 8:10.  
We will separate into our chaperone groups  
and board the bus. While we are at the  
mission we will explore the mission  
buildings and fill out our scavenger hunt.  
We will also play the Mission Game with the  
mission docents.

Chaperones: More detailed information will  
be sent out to you. Thanks for your help!

## Book Clubs

We are reading the 3rd "chunk" for our Book Clubs this week. Please check your reading contract in your reading binder to see this week's "chunk."

**FYI**

**Remember to do your jot dots for each chapter.**

Throughout the week as you read, make your jot dots. Make sure you are not just writing about the plot. You can check in with me during Book Club and get feedback. I am here to help!

## Got Rocks?

How is your rock collection doing? You should have at least 7 to 10 rocks by now.

**This week you need to collect 2 more rocks. Due on Monday.**

At this point, we need to make sure you don't have duplicates in your collection. This can be tricky. For example, 2 white rocks can be the same, OR different. You need to explain the difference. For example, one is soft and the other is hard. Or one is shiny and the other is dull. Remember, you can check in with me!
