2 ROCKS REQUIRED ON MONDAY!

TURN IN READING LOG

Book Clubs

We are on Chunk 4 for Book Clubs this week! That means you will FINISH your book! We are following the same routine. For each chapter, write jot dots for the most important things that happened. The Book Club meetings will happen on Thursday because of the field trip. That is why we are NOT doing the Top 4 post-its this week.

Starting Pioneers

This week we will be introduced to our new pioneer identities and join a wagon train, heading to California! We are going to have NEW names! Get ready for some FUN!

FIELD TRIP

MISSION SAN JUAN

BAUTISTA FRIDAY

Here's the scoop:

Arrive at school the normal time, BUT DON'T BE LATE!!

We will do attendance and make sure everyone has their lunch. (Do you know if you ordered a lunch?) You may choose to bring a bag or backpack but only for food, drinks, jackets etc.

Board the bus at 8:30. We can't be late!

While we are there:

We will play The Mission Game at 10:30

The rest of our time at the mission we will explore and do a scavenger hunt.

We will board the bus at 1:15 and should arrive back at Lincoln before 2:45 (traffic permitting).

CHAPERONES:

Please arrive at room 10 by 7:55 so we can discuss all the day's Need to Know, including the scavenger hunt etc.

I am sending home a parking permit with your child. If you show up at Lincoln in a car, even if you are driving to the mission, you need to park on neighboring streets with the permit on your dashboard. No cars are allowed to park in the school parking lot, even if it's just for a short time. If you have a clipboard, it will come in handy for writing down information discovered on the scavenger hunt.

FYI: If you ordered a school lunch you may want to send a drink and a snack with your child. The milk will be not refrigerated and the lunch won't include a snack to eat mid morning.

Got Rocks?

Please collect 3 rocks. Due Monday. I didn't get a lot of questions last week. Remember I want to help! And not getting duplicates is getting harder!
