NO ROCKS REQUIRED ON MONDAY!

Mission Test

Can you believe it? Our Mission Control unit and game are over!?

This week we will be studying for the big test. Use your Study Guide to help you study. Study help is also available on our website. Also study time will be provided in class so make sure you bring your mission stuff to home and to school each day. (Except on our field trip day.) Make sure you get a signature each night to verify you studied. Make sure you also bring your study evidence. We will write the day's evidence required in your agendas each day and discuss what to study each day.

FIELD TRIP

MISSION SAN JUAN BAUTISTA

WEDNESDAY, MARCH 26

It's happening
this week! Hooray!

Here's the scoop:

Arrive at school the normal time, BUT DON'T BE LATE!!

We will do attendance and make sure everyone has their lunch. (Do you know if you ordered a lunch?) You may choose to bring your backpack but only for food, drinks, jackets etc.

Board the bus at 8:30.

While we are there:

We will play The Mission Game at 12:00.

The rest of our time at the mission we will explore and do a scavenger hunt.

We will board the bus at 1:15ish and should arrive back at Lincoln before 2:45 (traffic permitting).

CHAPERONES:

Please arrive at room 10 by 7:55 so we can discuss all the day's Need to Know, including the scavenger hunt etc.

I am sending home a parking permit with your child. If you show up at Lincoln in a car, even if you are driving to the mission, you need to park on neighboring streets with the permit on your dashboard. No cars are allowed to park in the school parking lot, even if it's just for a short time. If you have a clipboard, it will come in handy for writing down information discovered on the scavenger hunt.

Book Clubs

We are taking this week off because of the Missions Test and field trip.
