Wed.

Math Facts.

Math: iReady Assessment

Writing: 3rd reason paragraph

Thur.

Math Facts, Word Power, & Word Hunt

Math: Worksheet "Distributive Way"

Fri.

Math Facts

TURN IN READING LOG

Field Trip!

Thank you!!! All the permissions have been done!

A huge thanks to our chaperones! The parents of Abraham, Annabelle, Dan, Gemma, Saatyaki, and Cheryl are helping us! Hooray!

REPORT CARD FYI

The second trimester was official over last Friday. This means teachers are working on report cards right now. They will be available for viewing on ParentVUE on March 27. Meanwhile, work this week forward will be reflected in the 3rd trimester report card.

Book Clubs

Third week Chunk

We will be reading the 3rd chunk for our book clubs.

Since I won't be here on Wednesday, students will do jot dots Monday, Tuesday, Thursday.

The Top 4 Post-its will not be required.

rock hunt

We are learning about the difference between rocks and minerals.

We are also continuing to collect rocks. We check rocks on Mondays.

Please check your child's agenda on Mondays to see their rock collection grade. If the grade is a 1, a signature will be needed.

TWO MORE ROCKS ARE DUE NEXT MONDAY.

STUFF TO REMEMBER:

Make sure you are **NOT** collecting pebbles.

This continues to be the most common error.

Also everyone is collecting lots of grey rocks so avoid grey this week. Also, at this point we need to **focus on not collecting duplicates.**

Please check out our website rock page to learn tips for how to choose rocks. Focus on qualities such as color, dull, shiny, hard, soft etc.

Don't forget, you can always show me your rocks throughout the week for feedback. I am here to help you!!!

Friday FYI

We have a minimum day. This means we will have a short lunch time scheduled from 11:20 to 11:40. Then we will dismiss at 11:50.
