## Pioneer Names!

## Book Clubs

We are taking a week off from Books Clubs. Yea!

## No Excuse Words

guide	anything	goes	coming

## Open House!

Room 10 has some pretty special students looking forward to showing off some pretty special projects. We hope you can make it to Open House NEXT **Wednesday**, from 8:15 a.m. to 9:15 a.m. This is a change from last year. Hopefully you can just pop in as you drop your student off at school. There is no presentation so you don't need to carve out a whole hour. Just come in, have fun, and then feel free to head out. Here's a hint...we "mustache" you what has been the best part of fourth grade! LOL! You'll get that when you show up to room 10.

**I can't wait to see you all! Please mark your calendar!**

## Need a Protractor

This is the week that we need the protractor. Please bring one to school ASAP. The

tips for what a good protractor looks like is on the back of the Listening Post again. **Please make sure it isn't small!**

## Got Rocks?

Two more rocks are due by Friday. AND we are getting very close to having enough rocks to start identifying them. You already know how to identify granite! Also, it is now getting really tricky to not have twins. So make sure to ASK ME FOR HELP! Do you think you have all the colors? I will give you ideas if you come and ask me,.
