FIELD TRIP MISSION SAN JUAN BAUTISTA THURSDAY, MAY 9

It's happening
this week! Hooray!

Here's the scoop:

Arrive at school the normal time, but don't be late!

We will do attendance and make sure everyone has their lunch. (Do you know if you ordered a lunch?) Board the bus at 8:30.

While we are there:

We will play The Mission Game at 10:30.

The rest of our time at the mission we will explore and do a scavenger hunt.

We will board the bus at 1:30ish and should arrive back at Lincoln by 2:45 (traffic permitting).

CHAPERONES:

Please arrive by 7:55 so we can get your group assignments, make driving decisions, discuss the scavenger hunt etc.

In my last email I attached a parking permit you can put in your car. Please contact me if you have any questions.

Book Clubs

We are reading Chunk 3. This week we'll continue writing "Top Four" lists which are due Friday morning. We will discuss these for Partner Check-In and I will provide feedback.

It is IMPORTANT to make sure you are finished with this by Thursday night. This is not something to do in class on Friday. As you read throughout the week, you should be creating your list. We will have time in class on Friday to do our post-its for Top 4.
