Week at a glance

PLEASE NOTE:

This is our first official Listening Post. The homework is listed on this each week. We are ramping up with homework slowly. By week 3 we should be on our normal routine.

Mon.

Spelling: Write your words in ABC order 2 times (refer to the sample I gave which should be in your binder).

Tue.

Math: Lesson 1.1 (Worksheet from chap. 1 workbook.)

Wed.

Math: Lesson 1.2

Thur.

Math: Lesson 1.3

Spelling: Get someone to quiz you on your spelling words. **TURN IN THE PAPER YOU USED TO WRITE THE WORDS. This paper must be graded, signed by a parent, and any misspelled words must be practiced** on the paper. Do it like the sample I gave you which should be in the spelling section of your binder.

Fri.

Math: Lesson 1.4 (LOTS of time given in class so it shouldn't have to be finished at home- Hooray!)

No Other Homework. Have a relaxing weekend. Woohoo!

Spelling FYI

important: once spelling/No Excuse words have been assigned, **all Ellerbees are responsible to spell those words correctly in their daily writing all year.**

Students are expected to correctly spell:

1. Easy words you learned before 4th grade.
2. No Excuse words that have been assigned.
3. Words that might be difficult, BUT you just need to copy it.

No Excuse Words

rough	peace	a lot	sugar
reason	once	another	does
trouble	piece	began	dose
because	copy	very	until
around	which	aunt	ant

Math FYI: I always give class time to do the homework. IF you don't finish in class, it automatically becomes homework.

Thanks for Donations

Donations are already showing up! WOW! I am very grateful! It's not too late to send in more. LOL! If you are able to send in donations, I want to let you know that the most used and needed items are:

- 3 x 3 Post-its (pale colors)
- White out tape
- erasable pens (black or blue ink)

These are truly gifts that help ALL the Ellerbees in room 10 and are GREATLY APPRECIATED!

CLASS WEBSITE

Dear Parents,

I have updated our classroom website.

The URL is rutheller.net.

Typically I do this on the weekends so you can usually view it Sunday evenings to see what is coming up the following week.

Please check this out before August 27, our Back to School Night. Then, we can discuss any questions you have when we meet.

The website covers general information including homework, how to communicate best with me, math facts, spelling, Word Power, birthdays and more.

As we go through the year I will keep updating the information.

Check Blue Folders & Agenda DAILY

The "Blue Folder" is our #1 daily communication tool. Please note that graded papers go home in this folder. If your child has a grade of 1 on a paper it should be in the Blue Folder. This assignment needs to be signed and returned the next day. (If this happens, a quick note will be in the agenda and this also needs a signature.) You will see that inside the left pocket is for things going to school, the right side is for things going home. Papers that go home in the MESH folder or general information from me etc. should be returned in the Blue Folder. FYI, The MESH folder should be returned empty - I do not look in this folder.

Please also check your child's Lincoln Agenda every school day. We will use it to write daily assignments. We will also write other events and information that is important to be aware of each week. This will include events happening at school that week and also reminders etc. Sometimes a parent signature will be requested. Let's get in the habit to check both daily.
