CONFERENCES

Teacher-Parent Conferences are scheduled **starting October 2nd.**

Conferences are 20 minutes in length and the sign-ups are on Parent Square. A HUGE thanks to everyone who has signed up. If you have not signed up yet, please do so ASAP.

A Parent Input form went home last week in the MESH. Please fill out and return this right away to help me plan for our time together.

Thank you so much! I look forward to our meeting.

WORD POWER/HUNT

Since this is a 4 day week, we will NOT do Word Power. Hooray!

However, we WILL do Word Hunting. You can find words while we read Island of the Blue Dolphins. Also, when you are just reading for fun, you can Word Hunt. The goal is to find 6 words for Tuesday, Wednesday, and Thursday. 24 words total. You will turn it in on Friday.

Writing Narratives FYI

We are learning about the strategies good writers use when writing narratives.

This week we will choose a big idea and write the plot map for the story we are each going to write.

The website will be updated this week that gives information and also a teacher model to reference. **IMPORTANT FYI:**

For writing this year, it will all be done on a Google Doc. That means you can always access it online, even from home. So if you don't finish a section assigned for the week at school, it may need to be completed at home. Also, checking your Google Doc is how you find out what your grades are for each section.
