CONFERENCES

IMPORTANT! The conference appointment times are going home TODAY. Please check your child's Blue Folder.

Please send the bottom part of this form back to me ASAP. This part either confirms the time or requests a change.

SECONDLY:

Have you sent in your Parent Input form yet? This went home in the MESH last week.

If not, please do so ASAP.

As I plan for your conference, I highly value YOUR input! You know your child much better than me, and **this feedback is very helpful.**
