CONFERENCES

Have you signed up for your Parent/Teacher Fall Conference Appointment yet?

If not, please do so ASAP. FYI, most appointment for Oct. 7 and 8 are filled. There are lots of openings for Oct. 11, 12, 14, and 15. Please go our website (rutheller, net) and find "Fall Conferences" under "Communication." As slots are taken, they will disappear from the choices. So if a time is visible, it automatically means it is available.

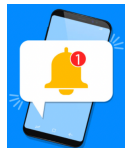

Also, the Parent Input form was sent home in the MESH last week. (It is also posted on our website.) **If you have not yet turned this in, please do so ASAP.**

Minimum Day Thursday

On Thursday, school will be dismissed at 11:50. The afternoon is a teacher workday. The good news is that there will not be any additional work assigned. Hooray!

alarms helping?

Have you set alarms yet to help you remember school stuff? If so, I hope it is helping. **If not, please do that this week.**

iReady READING

We will be doing the iReady Reading Assessment at school this week. We should have plenty of time do get this completed. IF extra time is needed, it will need to be completed at home.

IMPORTANT: Some students have taken their headphones/earbuds home and left them there. **These should be at school every day. Thanks!**
