Thur.

Math Facts - 1 sheet only

Social Studies: study for Regions Test/parent signature

Fri.

Math Facts - 1 sheet only (**Turn in all 5 on MONDAY.**)

TURN IN READING LOG

Email Reminder

Dear Ellerbees, it is VERY IMPORTANT to **write something in the subject line**. If it is a new topic, you need to send a new email with a different subject line. Thanks!

Reading Log

This week we are continuing to read **Island of the Blue Dolphins** together in class. We will continue practicing how to think about strategies good readers use. This will NOT involve homework.

Parents, please check your child's grade written on their reading log that went home today. Then, please make sure to SIGN the reading log. Signatures will be checked on Tuesday.

BECAUSE OF THE TEST...

1. *No Spelling Words*
2. **No Word Power**

California Regions Test

We will have our first social studies test **on Friday.**

A California Regions Study Guide has been provided to help your child study for the test. Please make sure to take home the student guide each day. Everything should be in the California Regions folder. All the test questions will come from the information in this packet. "Test Support" on the website has been activated. Here you will find copies of the study guide and other information about what will be on the test. In class this week we will spend time studying. **However, you will need to study every night. You can see that this is basically the only homework this week.** We will make flashcards and quiz each other. We will also write a paragraph about your favorite region. You need to bring evidence that you studied to school each day. You will also need to take home your flashcards every day to get quizzed on and bring them back to school each day. Students will write in their agendas each day at school what the study evidence will be that night. This is done day by day so it is fluid what needs to be studied each night. Please check to make sure they are doing what was written in the agenda. **PARENTS: PLEASE SIGN THE AGENDA EVERY NIGHT TO CONFIRM HOW MANY MINUTES YOUR CHILD STUDIED.**

Word HUNTING!

We will be learning how to do Word Hunting this week. It will not involve homework. While we are reading from Island of the Blue Dolphins we will do it together. For your information, you can read about Word Hunting on our website. The students will be doing this independently starting next week.
