

Hello friends!

Sometimes God just goes above and beyond all expectations and really breaks through in a service.

This was one of those times! Sunday we learned again that God can do "exceedingly, abundantly, above all that we could ask or think...according to His power at work in us (see Ephesians 3:20).

The Holy Spirit was present as people were anointed in the middle of our service for healing, fresh power, and as words of life were spoken through song, prayer, and other means that prophesied truth into many lives! There's healing in the Name of Jesus! We had visitors from the area and out of state and the atmosphere was filled with the energy of the Holy Spirit. **Do not underestimate what God can do in your life and the lives of your family...supernaturally and miraculously! Believe God!**

Special thanks to Donna, Dale, and Jane for sharing the touch on their lives through our most powerful District Assembly and Family Camp experience in many, many, years. The theme was "**The Next Yes**," and from the missionary convention through the Assembly and the camp evangelist, it was truly anointed!

Below are the events of this week, which gives many opportunities to encourage and be encouraged in your life in every area of need. Thanks to all who provide these ministries and more, such as Dan, Chris, and Terri and their ministry at Lino Lakes Assisted Living. Here are the upcoming opportunities for this week:
