

Good day friends!!

We had a great Sunday morning, where right before the service a young man with us for the first time in worship prayed to accept Jesus as His Lord and Savior. He had come to our men's breakfast on Saturday, and returned on Sunday morning. One of our men is taking this young man to Fargo today to see his dad who is in hospice at the VA hospital. Pray for their trip.

There were other great moves of God in our week and we can say "To God Be The Glory" great things He is doing. We emphasized prayer at the end of our message and then had voluntary prayer from the people for five different areas where we need God to move! It was a beautiful time! Please email us with your prayer requests!

This is a warm week in our area so be careful and if you want to stay cool, here are some regular events at the church this week.
