

Dear friends and family of Together Place Church!

What a great day of the display of God's grace in our worship time and following. One apology I keep giving is for our guests, as it has been a little overwhelming to walk into a near capacity crowd. Also, the few seats left are near the front at times, so we are working on not making it too difficult for guests. Please know that when we get over 100 people we need our people to maybe move close together and closer in. Having said that what a day! Still, we have not begun to touch the mission field that is before us. Let's work while it is day, the night comes when the work hours will be over.

Praise Jesus...we had **12 people baptized** to witness to the transforming power of Christ in their lives. To watch young and old stand up for Jesus publicly is so inspiring and humbling of the work God is doing in our presence. Some are asking for maybe one more time to gather a harvest this year! We have some great times this coming week also! **First, there will be NO Wednesday Bible class or Zoom and telephone links this week. Please pass that on.** I am gone and many of our leaders are gone also as they are out of town for churches to assemble together from North and South Dakota and Minnesota.

Christ Centered Healing and Recovery is tonight, August 4th @ 6:30 pm at the church. This meeting is for all who are living with recovery from addiction and mental health issues related to that for many. I am often hearing great things about that ministry. All are welcome. **Tuesday @ 10:30 on August 5th, the Women Together Bible Time meets at Centennial Square mobile home park.** Please come and bring any woman friends.

Then, remember **next weekend, Saturday August 9th @ 8:00 a.m. is the men's breakfast at the church for ALL men, in or out of the church!** There will be a great breakfast but I will be unable to attend as I will still be out of town until late Saturday night. **Then our BIG family dinner following the 10:00 am worship service will be held Sunday August 10th. Please join us and bring a friend as we have a feast of worship, food, and then fellowship together!**

Below are the links from the message of Rev. Stanley Ushe on Acts 3 on a transformed life!
