6 Click "Authorized Training Network"

The screenshot shows the 'Course Catalog' app interface. On the left is a dark sidebar with navigation options: 'Recent Activity', 'My Courses', 'Course Catalog', 'Authorized Training Network' (highlighted with an orange circle), and 'Library'. The main content area has a title 'Course Catalog' and five filter buttons: 'Courses Show All', 'Aircraft Show All', 'Avionics Show All', 'Training Show All', and 'Sort Category'. Below this is a section titled 'Featured Courses' with the text '4 Courses'. Two course thumbnails are visible: one showing a small airplane flying over a runway, and another showing a hand holding a tablet displaying a flight map.

- 7 Enter Elite Flight Experience into the search field.
