48 HOUR CANCELLATION POLICY

Dear Clients:

I understand that sometimes cancellations are unavoidable. However, due to the number of clients who may be waiting for scheduling, it is imperative that I receive 48 hours' notice if you are unable to keep an appointment.

In the event you miss or cancel an appointment, I reserve the right to bill you for 100% of your appointment fee if I do not receive 48 hours' notice.

Thank you very much for your consideration.
