Thank You "Fore" Your Support

The IBES PTO would like to thank the IB Parents and Community for all their support of the 1st Annual PTO Golf Outing that was held on September 10. Thanks to the help of our parents, community and sponsors, PTO raised \$12,213. This money will be used to provide school supplies, classroom materials, technology and equipment into IBES classrooms as well as provide funds for school events such as Love of Reading Night, Earth Day, Holiday Night and Carnival. We are so grateful to our hole sponsors and all those who made donations of items for the silent auction and raffle baskets.

OBITUARIES

In Loving Memory
Donald Harris Scott Larkin
1962-2016

Donald Harris Scott Larkin, 53, of Hanna City, Illinois passed away at 3:50 a.m. Thursday, August 25, 2016 at the OSF Richard L. Owens Hospice Center in Peoria, Illinois. He was born on September 28, 1962 in California. He married Kelly Stear on October 6, 1995 in Hanna City. She survives along with their two sons, Jonathan Larkin and Kristopher Larkin, sister, Michelle (David) Myers; numerous nieces and nephews and his in-laws, Harold and Bev Stear. He was preceded in death by his loving grandmother, Mildred Bowers. Don served in the U.S. Army National Guard. He was a self-employed Sound Technician and owned his own commercial cleaning business. Don also worked at the Peoria Civic Center and One World Café. Cremation has been accorded. Memorials may be made to the OSF Richard L. Owens Hospice Center in his name. A Celebration of Life service will be held Saturday, September 24, 2016 at 2:00 p.m. at the Hanna City United Methodist Church.

Obituary Policy

The Glasford Gazette offers families the opportunity to memorialize their loved ones in their own words through personalized obituaries. In a personalized obituary, you can share thoughts about your loved one by writing about the personality, the relationships, and the interests that distinguished his or her life.

There is a charge for personalized obituaries, with or without a picture, of \$10. We will publish a free death notice when complete funeral services have not been arranged.

How we handle obituaries:

We will only accept obituaries from funeral homes, cremation societies or comparable entities that are in charge of arrangements. We do accept obituary information directly from family members when no funeral professionals are involved. In such circumstances, we must confirm the death through an independent source such as a coroner, or a minister.

Funeral homes should contact The Glasford Gazette at (309) 389-2811 or jessica@glasfordgazette.net for assistance.

ON RELIGION

By Terry Mattingly

THE GENTLE, INSIDER SATIRE OF THE BABYLON BEE
Anyone who visits a typical American megachurch worship service will get a quick education on the mechanics of contemporary praise music.

First, the band rocks into action, while swaying worshippers raise their hands high, singing lyrics displayed on giant screens. There may be lasers and smoke. A guitarist or keyboard player guides everyone through worship songs -- loud then soft, softer then louder -- linked by dramatic key changes and musical bridges. Eventually, there’s a sermon or worship video.

What if something goes wrong? This Babylon Bee headline was an online classic: “Worship Leader Caught In Infinite Loop Between Bridge And Chorus.”

In this fake “news report,” a weeping member of the worship band adds: “It’s scary, honestly. ... This is our third worship leader who’s been sucked into a PCBV (Perpetual Chorus-Bridge Vortex) in the past year.”

After the 14th chorus-to-bridge transition, deacons called 911 and the victim was rushed to an emergency room. “Physicians are subjecting him,” readers learn, “to a barrage of classic hymns in hopes that he will recover.”

This is an inside-baseball brand of satire that allows Babylon Bee creator Adam Ford to gently explore the yins and yangs of evangelical Christianity.

“While we satirize our own camp quite a bit, we don’t limit ourselves to evangelicalism. We write about culture, politics, other religions, current events, etc., regularly,” said Ford via email. He does email interviews since he struggles with anxiety attacks, and shares more of his personal story in his own Adam4d.com webcomics site.

Most Babylon Bee newcomers, however, are almost certainly drawn there by social-media references to the site’s popular items dissecting modern evangelical life. Take, for example, a “news report” about a new \$90 million, 170-acre church complex with a petting zoo, seven bookstores, nine coffee shops, three restaurants, a baseball field and a monorail to the parking lots. But church leaders forgot something. Thus the headline: “Sanctuary Mistakenly Omitted From Megachurch Campus Design.”

Ford, who once yearned to be a pastor, stressed that he is trying to be critical and supportive at the same time.

“God can and does use goofy things like lasers and smoke machines to bring people to Christ, sure, but I believe church services that are reminiscent of WWE productions have peaked and will be less and less successful and prevalent moving forward,” he said.

The key is that Ford is a modern man who is filling an ancient role, said media scholar Terry Lindvall of Virginia Wesleyan College.

“The biblical satirist shares in the blame and shame of his defendants. He may be God’s prosecutor, but he is also entwined with the people he ridicules,” wrote Lindvall in his book “God Mocks: A History of Religious Satire from the Hebrew Prophets to Stephen Colbert.” A skilled satirist, he added, holds up a prophetic mirror that “offers a comic frame in which to look at and to look through the heart; the satirist finds that none are righteous, including himself.”

The Bee stings everything from common family life (“Woman Finally Accepts Doctrine Of Total Depravity Now

That Daughter Is Two”) to lofty academia (“Jesus Was A Socialist Deconstructionist Feminist, Claims Socialist Deconstructionist Feminist Scholar”).

However, a headline about President Barack Obama nominating the Canaanite god Moloch to serve on the Supreme Court perfectly illustrates Ford’s method, noted Lindvall in an interview. The piece mocks evangelicals who are “totally paranoid” about anything Obama touches, yet also lances the left’s ultimate Supreme Court litmus test -- abortion.

Ford, Lindvall added, “is piercing, yet gentle. ... It’s more of a poke in the ribs, instead of a poke in the eyes.”

When seeking biblical inspiration for satire, Lindvall and Ford cited similar examples, such as Jesus asking critics: “Why do you look at the speck of sawdust in your brother’s eye and pay no attention to the plank in your own eye?” In the Book of Job, God puts Job in his place by asking: “Where were you when I laid the foundations of the earth? Tell me, if you know so much.”

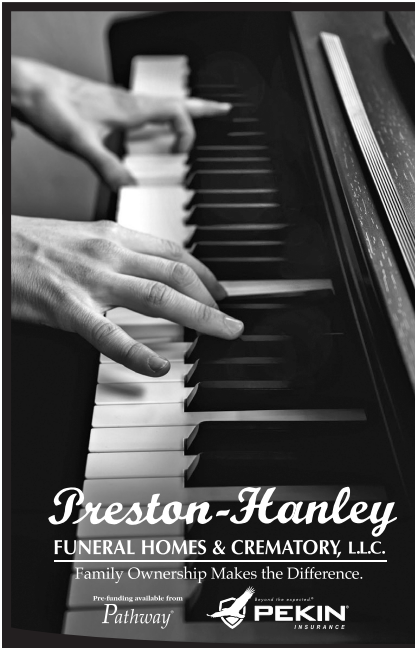

“I’m no prophet,” stressed Ford. Instead, his ultimate goal is simply to “glorify God through our work. Under that, I don’t like to spell out exactly how and what and why. ‘Dissecting the frog’ and all that. I like the content to speak for itself.”

Church News

Glasford United Methodist Church

By Sherry Boswell

Sunday, September 18, was a fun and full Sunday. Each Sunday the fellowship time and Sunday School start at 9 am. Worship begins at 10 am. The Children's Time was centered on "what takes up your time?" What keeps you busy? The kids shared a variety of answers: school, shopping, work, cleaning my room, workout/swimming at the Y. What is most important to you? Do you miss out on what is most important to you, (faith, worship, friends, family) because of your busy schedule?

The scripture reading was Luke 10:38-42. Earlier in the scripture, Jesus was teaching the parable of the Good Samaritan. This section of scripture is a “hospitality” guide. Likewise, Mary and Martha are showing hospitality in their own unique ways. Mary sits and listens to Jesus while Martha prepares the household. Martha is in fact obeying her societal role. Still, what society teaches is not always right. The main course, Jesus hints at, is people. Tasks often consume our time, preventing us from developing relationships. On the other hand, Mary is also dismissive of the needs of Martha. Both are missing the importance of the moment. Jesus corrects Martha because of her attitude toward Mary.

The message was "Stress: A Badge of Honor?" We tend to work hard at all the things that we think are important to our future and our family. Setting goals in life are important. However, like Jesus notes, are they (tasks) the main course (what's important)? On average, American's work 50 hours a week. We get so busy we forget that spending time with our families and God is the main course. Details are the secondary things. Is stress your "Badge of Honor"? It's normal to ask someone how they are doing and they reply with, "busy" or "stressed". This response has become so normal that we might be desensitized to others worry. Stress can be worn and shown off by others, letting others know how they are sacrificing their time. One study showed that some men lie, saying they work 80 hours a week, in order to have greater societal value. Where do you spend your time? Do you have a merit badge in stress? Martha is filled with worrying that things won't be done. She's clearly showing her stress badge. Jesus encourages her to slow down and worry less. Martha needs to see her worthiness just as she is. Jesus wants us to move from worry into worthy.

We invite you to participate in our challenge this week. When asked, “how are you today” try to catch yourself from saying "busy". Instead of responding with “busy” respond with “blessed.” Are you blessed or busy?

Smithville Bible Church

By Jim Learned

On Friday, we will have a community cookout starting at 5:00 PM. It has been rescheduled from a date last week, which was rained out. Next Sunday we will have Sunday School at 9:30 AM, followed by a church service at 10:30 AM. Our church is located at the corner of Smithville Road and Hanna City-Glasford Road. We hope to see you there.

In Sunday School, Brother Frank Learned spoke to us about Ecclesiastes 8:1-17. This chapter first contains instructions to obey the king. Ecclesiastes 8:2-5 tells people to keep the king's commands. Of course, the earthly writer of Ecclesiastes was King Solomon. He would have good reason to tell people to obey the king!

Often we wonder why bad things happen to good people, but we should also wonder why good things happen to bad people. Matthew 5:45 says that God makes the sun shine on the evil and the good. In Ecclesiastes 8:12-14, the Bible says that people do not get away with sinning like they might seem to. You or I might get impatient waiting for justice, but God has forever. God's judgment seems to take a long time because God is loving as well.

The chapter of Ecclesiastes 8 ends by saying we might as well be happy. Work is a privilege that we should enjoy. It is what God gives us to do. Ecclesiastes 8:15 says that workers should enjoy themselves. Ecclesiastes 8:17 says that God works as well. We might not know what He is doing, but we can be sure that God is working just like we are told to work.

In Church, Pastor Webster spoke to us about our freedom in Christ. As Americans we have freedom, at least for now, but Christians can have freedom forever. The fact of freedom in Christ begs the question of what we are free from. One thing we are free from is our past. Isaiah 1:18 says that we have no need to fear past sins. John 1:12 says that putting faith in Jesus gives us the right to become God's children. There are no exceptions; anyone can believe in Jesus.

What then are we free to do? One thing is to have fellowship with God and with each other. Fellowship is an important word in the Bible. People who have fellowship have something in common. What people who trust Jesus have in common with other believers is that we have been set free.

In Paul's letters, he often speaks about fellowship. One example is Philippians 1:5. In it, he speaks about his readers' fellowship in the Gospel. Christians are free to spread the word about Christ. 1 John 1:1-3 says that everyone who believes in Jesus has fellowship.

We are free to live with God. Fellowship means having access to God. Hebrews 4:16 says that we can pray any time. In Matthew 28:20, Jesus promises that He will always be with us. Hebrews 13:5 contains God's promise that He will never leave us.

Romans 8:28 says that God always will do what is best for us. We can be confident that He will never make a mistake. 1 Thessalonians 5:16-17 says that we will be with God forever. People who believe the Bible have freedom in knowing the future as well.

There's a song on the radio "My Church". A woman sings about driving her car with the windows down. She has her radio on and is listening to music, and she feels like that's her "church". I feel that our "church's" don't have to be the buildings we go to on Sunday's. We can worship GOD everywhere! We can pray without ceasing as the Bible tells us to do. However, it is good to be with other people in a church building and worship together on Sundays. Pastor Jeremy Lafary has a children's sermon prior to the regular sermon on Sunday mornings beginning at 11:00 a.m. He plans to have a special Bible Study on Sunday evening as soon as the study books are in. There is a continuous Bible Study in the Fellowship hall from 2:00 p.m. until 3:30 p.m. every Tuesday which is a study of books of the Bible. Anyone may attend regardless of whether they are a member of this church or any church.

The Illinois Great River Conference of the United Methodist Women had an Annual Fall Celebration on September 12th at the Crossroads United Methodist Church in Washington, IL. There were speakers from Cunningham and Lessie Bates and the attendees met in small groups to discuss ways to encourage others. A wonderful lunch was served and three of our UMW members attended. Previous members names were remembered who had passed away during the year. The love gifts collected at our church were taken to the meeting to be added to other units gifts.

The Men's Dinner was at our church on Friday, September 16th serving a Fish Dinner and entertained by a Barbershop Quartet.

Upcoming events include:

- The UMW's Hannah/Ruth Circle will meet at 1:30 on September 19.
- Wednesday, September 21 is the regular Community Luncheon at 11:30 a.m. Call Linda Satterfield at 657-2418 if attending for the first time.
- On Friday, September 23, the Gospel Group "Kramers" will be singing GOD'S praises and will share their message at the Bartonville UMChurch at 7:00 p.m.
- On September 29th and 30th (during the Spoon River Drive) the UMWomen plan to have a Rummage Sale at the church. They will also sell whole pies and cakes in disposable containers. This is a good time to get rid of unwanted items and also purchase some yummy desserts.

Pastor Jeremy Lafary's office hours are Tuesday, Thursday and Friday from 2:00-6:00 p.m. Office - phone 309-565-4513; e-mail hcumc12208@hotmail.com. Pastor's phone is 309-340-9582 call/text; e-mail pastorjeremylafary@gmail.com. He is a young man and appreciates suggestions.

Glasford Baptist Church

In the Morning Worship Pastor Wayne spoke on Matthew 6:19-21, “One’s Man’s Treasure”. He asked what is your Treasure? Or “What is Your most important treasure?” Is your ‘treasure’ something that you cannot live without having? Jesus tells us “do not lay up treasure on earth where moth or rust doth corrupt and where thieves break thru and steal, “Matthew 6:19”

Sometimes our treasure is when we will call it our own just for happiness. But, when you believe in Jesus Christ, your Treasure is in heaven, Matthew 6:20. Any treasure that you own on earth will not get you into heaven. You are only living and leasing your earthly treasure. You need to be laying up your treasure in heaven by following Jesus' teachings. Your earthly treasure is not always what you need to reach and live in heaven.

Matthew 6:21 tells us “the place where you want to be for eternity is with Jesus”. Jesus gives us our daily blessings when we follow Him so let Him direct our life. What and where is your treasure? What is most important for your daily living? Examine your treasures and then follow Jesus daily.

Be still
before
the Lord
and wait
patiently
for him;
— Psalm 37:7

Frugal Family Fun

By Jessica Westerman

Jessica & Amelia Westerman feeding geese at Lakeland Park in Canton, Illinois.

Budget: \$ \$ \$ \$ (\$0 - 10.00 per person)

If you're looking for some outdoor adventure on a limited budget, you needn't drive any farther than Lakeland Park in Canton, Illinois. The park offers many outdoor activities for all ages, including a boat launch, concessions, an educational waterfowl blind, fishing, grills, picnic areas, a playground, restrooms, covered shelter, paddle boat rentals & trails for hiking, biking and walking.

Feeding the wildlife is always our favorite activity here, and you can purchase some wildlife friendly snacks in the main building for 25 cents per bag. As you can see, the geese are not shy about getting food from park goers, although they are on guard and frequently hiss! The geese are not the only critters waiting for a treat. If you take a trip over the bridge you can throw your snacks out to the eagerly waiting fish and turtles. If you have young children, be sure to bring a stroller to take advantage of the walking/ bicycle trail.

When modern day noise is getting the best of you, your budget is busted, and the kids are full of too much energy, pack some PB & J's, grab a few quarters out of the couch cushions, buckle the kids in the car and get the family outside for some essentially free fun.

Frugal Family Fun will be a monthly column with information on area activities for families to do together.

As I watch the leaves falling from my walnut tree, I think of the song "Autumn Leaves". It is good to see the beautiful green leaves turning to red, brown and golden. As I go out onto my deck, I see grasshoppers, ants, wasps, flies and praying mantis bugs and butterflies. The hummingbirds will be drinking at my feeder for a little while yet and then they will migrate to Mexico or Florida.

There are birds in the trees and squirrels jumping and running up and down trees gathering their nuts. Squirrels actually bury a few nuts in the ground for their winter snacks. I wonder if "my" little chipmunks do that also! Terry Klatt was telling folks last week that he saw a black snake. Black snakes are good to have around as they kill mice and rats. They used to live near my grapevine and fruit trees. (Maybe they still do!)

One wonders if the trees "mourn" for their leaves as parents do when their children move away from home; probably not because they know they'll be back (well, they'll get more). Trees need to rest as humans do.

My daughter, Brenda Lamkin who lives close to Singing Woods Road, saw a large red-headed woodpecker recently. They see turkey vultures and many other kinds of birds there. I guess that's why they call it Singing Woods Road! Brenda plans to come to Hanna City and visit some of her friends soon.

The community is saddened to learn of the sudden death of Denny Untz, son of Robert and Pauline Untz. He has been living in Iowa.

Helen Crain of Courtyard Estates in Peoria called me yesterday. Her husband, Maurice Crain used to be a policeman in Hanna City years ago. Mildred Isbell and Audrey (Doubet) Wright are still living in the Farmington Country Manor. Jim and Edith Richards are residing at Independence Village in apt. 317.

I received a pretty "Happy Grandmother's Day" card from my great grand-daughter, Jessica Isbell and her daughters Autumn and Betty Lou. Autumn is in the third grade this year and Betty Lou is learning to walk. Betty Lou was named after her grandmother, Betty Harjes. Betty passed away a few years ago.

Some people have been having flu-like symptoms around here. They are feeling better now, however!

The Community Lunch will be served in the United Methodist Church's Fellowship Hall on the First and Third Wednesday's of each month. A small donation is appreciated. If attending the first time, please call Linda Satterfield at 309-657-2418 a few days ahead.

Occasionally the Hanna City Presbyterian Church sponsors a "Movie in the Park" night held in the park across from the Community Center. The next free movie night will be September 24 at 6:30 p.m. The movie is "The Wizard of Oz". Popcorn, water and hot cocoa is free also. Bring your lawn chair or blanket to sit on.

Check out the other activities at the Community Center and the library activities as they are available to all Hanna City residents.

Editor In Training

Hello again readers,

Well, another week is in the books. You are probably noticing some layout changes this week. With the lengthy public notices this week, it couldn't be helped. Businesses have to publish them, and the press provides the service. A necessary evil for all involved!

Despite the lack of space this week, I did get to squeeze in our new monthly column, Frugal Family Fun. I hope you enjoy it. With a large family we are always on the lookout for cheap fun! And it's easy to forget the fun you can find close to home sometimes, so I am going to focus on places less than 20 miles from home.

We did not however get The Scoreboard in this week. Although we are thrilled to have our State Tournament bound Lady Tigers front and center this week instead and are trying to get schedules rearranged to make it to the State Tournament this weekend.

So Until Next Week, your Editor in Chief Training,
Jessica

ORDINANCE NO. 2016-04
AN ORDINANCE FOR PROVISIONS FOR DANGEROUS AND UNSAFE BUILDINGS, AND BUILDINGS UNFIT FOR HUMAN HABITATION, LOCATED IN THE VILLAGE OF GLASFORD, PEORIA COUNTY, ILLINOIS.
WHEREAS, it is in the best interest of the public health and safety of the citizens of the Village of Glasford that an Ordinance for dangerous and unsafe buildings be adopted.
WHEREAS, it is in the best interest of the public health and safety of the citizens of the Village of Glasford that an Ordinance for buildings unfit for human habitation be adopted.
BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF GLASFORD, ILLINOIS, A MUNICIPAL CORPORATION, as follows:
SECTION ONE. Buildings and Buildings Regulations.
The maintenance of existing and new structures, and of additions or alterations of existing buildings and structures shall be in conformity with the provisions of this Ordinance and applicable property maintenance codes.
SECTION TWO. Adoption of codes.
(a) The 2015 International Property Maintenance Code, Fourth Printing as published by the International Code Council, Inc. is hereby adopted as the Property Maintenance Code of the Village of Glasford.
(b) Where no specific standards to the contrary are prescribed by this Ordinance, conformity is required with and pursuant "2015 International Property Maintenance Code, Fourth Printing: December 2015," as amended along with all codes and standards referred to therein.
SECTION THREE. Purpose.
The purpose of this Ordinance shall be to assure a physical environment for the community that is safe, sanitary, and attractive for all citizens.
SECTION FOUR. Definitions.
The following words, terms and phrases, when used in this Ordinance, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning. These definitions are in addition to the definitions of the 2015 International Property Maintenance Code and Section 201.5 thereof regarding "Parts," including those incorporated therein by reference. Where there is a conflict between this Ordinance and the 2015 International Property Maintenance Code, the definition in this Ordinance shall apply.
Accessory structure means a detached structure which is not used or not intended to be used for habitation.
Central heating system means a single system supplying heat to one or more dwelling units or more than one rooming unit.
Dilapidated means fallen into ruin, decay or disrepair in excess of ten percent of the structure.
Dormitory means a building or part of a building which is owned, managed, leased or operated, directly or indirectly, by an institution and containing a room or rooms forming one or more habitable units which are used for or intended to be used by oc-

cupants of the institution for living and sleeping, but not for cooking.
Dwelling shall mean an enclosed space which is wholly or partially habitable by human occupants, and is used or intended to be used for living, sleeping, cooking and eating; provided that temporary housing is not a dwelling.
Family consists of one or more person each related to the other by blood, marriage, or adoption (including foster children), together with such relatives of the respective spouses who are living with the family in a single dwelling and maintaining a common household. A family may also be composed of not to exceed three persons not so related, provided that such unrelated persons live in a single dwelling and maintain a common household and a single housekeeping unit. A family includes any domestic servants and not more than one gratuitous guest residing with said family; such servants or guest shall be included in the unrelated person attained by this definition, and shall not be in addition thereto.
Garbage includes and means all accumulation of animal, fruit or vegetable matter that attends the preparation, use, cooking and dealing in, or storage of meats, fish, fowl, fruit, vegetables and any other matter, of any nature whatsoever, which is subject to decay, putrefaction, and the generation of noxious and offensive smells or odors, of which, during and after decay, may be a food source for rodents and may serve as breeding or feeding materials for flies and/or other germ-carrying insects; bottles, cans, or other food containers which due to their ability to retain water can serve as a breeding place for mosquitoes, or other waterbreeding insects. It includes rejected household food waste, offal, pet feces, swill and carrion.
Guest means any person who inhabits, without consideration, a dwelling unit temporarily and for not more than 30 days.
Multiple-family dwelling means a building of three or more dwelling units.
Temporary housing means any tent, trailer, mobile home and any other transportable structure used for human shelter not attached to the ground, to another structure or to any utility system on the same premises for more than 30 consecutive days.
SECTION FIVE. Dangerous buildings generally.
It shall be unlawful for any owner or agent thereof to keep or maintain any building or structure or part thereof in any unsafe or dangerous condition. The word "building," as used in this article, shall describe any walled or roofed structure including mobile homes, commercial establishments, dwellings and any accessory structures. The provisions contained in this Ordinance do not preclude the Village of Glasford from proceeding under provisions of Article 11, Division 31 of the Illinois Municipal Code, 65 ILCS 5/11-31-1 et seq.
SECTION SIX. Definition of dangerous buildings.
For the purpose of this article, any building or structure which has any of the following defects or is in any of the conditions hereinafter described shall be deemed a "dangerous building" and any conditions hereinafter described shall be deemed

unsafe:
(1) Whenever any door, aisle, passageway, stairway or other means of exit is not of sufficient width or size, or is not so arranged as to provide safe and adequate means of exit in case of fire or panic for all persons housed or assembled therein who would be required to or might use such door, aisle, passageway, stairway or other means of exit.
(2) Whenever any portion thereof has been damaged by wind, flood, fire or by any other cause in such a manner that the structural strength or stability thereof is appreciably less than it was before the catastrophe and is less than the minimum requirements of this article.
(3) Whenever any portion or member or appurtenance thereof is likely to fail or to become detached or dislodged, or to collapse and thereby injure persons or damage property.
(4) Whenever any portion thereof has settled to such an extent that walls or other structural portions have materially less resistance to winds that is required in the case of new construction.
(5) Whenever any building or structure or any part thereof, because of dilapidation, deterioration, decay, faulty construction, or because of the removal or movement of some portion of the ground necessary for the purpose of supporting such building or portion thereof, or for other reason, is likely to partially or completely collapse; or some portion of the foundation or underpinning is likely to fall or give away.
(1) Demolition shall commence no later than 15 days of such notice, and
(2) A date for completion of demolition.
The date for completion shall be reasonably set in light of the nature of the building, weather conditions, and other related factors. The 15-day time period shall commence three days after the notice is mailed or upon personal service.
(c) The notice authorized by this section shall be served by either personal service or by mail.
Personal service may be made by a process server or a police officer of the Village.
(d) Where, upon diligent search, the identity or whereabouts of the owner or owners of any such building, including the lienholders of record is not ascertainable, notice mailed to the person or persons in whose name such real estate was last assessed for general real estate taxes is sufficient notice under this section.
(e) In the event the owner fails to comply with any time period set forth in the notice, the Village Attorney is authorized to commence a civil action in the circuit court of the county seeking a court order authorizing demolition or repair of the building or structure subject to the notice provided by this section and to create the lien described in this Ordinance or otherwise permitted by law. It shall not be a defense to this cause of action that the building is boarded up or otherwise enclosed. It further shall not be a defense that the building is put in a safe condition during the pendency of the civil action.
(f) Joined as defendants in such cause shall be the owner of record and other parties having an interest in the property as shown by documents

recorded in the office of the county recorder of deeds on the date of the filing of the complaint for demolition.
SECTION EIGHT. Lis pendens.
Upon the commencement of the civil action set forth in this Ordinance, a lis pendens designating the property upon which the subject building is located shall be filed with the recorder of deeds. Failure to file or the improper filing of the lis pendens does not, however, affect the civil action for demolition. Any person obtaining or recording in such office an interest in the property after such filing may become party to the civil action only if he intervenes by order of the court.
SECTION NINE. Placarding of building or structure.
(a) Whenever any dwelling or building has been designated a dangerous building or contains unsafe conditions, the Corporate Authorities or their designee shall placard the building indicating that the condition is dangerous and unsafe. It shall be unlawful for any person to rent, cause to rent, to occupy or allow another to occupy any premises, knowing that such premises has been designated a dangerous building. A violation of this section shall be punishable by a fine not less than \$500.00 and not more than \$5,000.
(b) It shall be unlawful for any person to remove, cause to remove or cover up in any way any placard designating a building or structure a "dangerous building." A violation of this section shall be punishable by a fine not less than \$500.00 and not more than \$5,000.
SECTION TEN. Demolition lien; personal judgment.
(a) The cost of demolition or repair incurred by the Village, including court costs, attorney's fees and other costs related to the enforcement of this Ordinance is recoverable from the owner or owners of the real estate and is a lien thereon, which lien shall be superior to all prior existing liens and encumbrances, except taxes; provided, however, that within 60 days after completion of the demolition or repair, the Village Attorney shall file a notice of lien for the cost and expense incurred by the Village, in the office of the recorder of deeds of the county. Upon payment of such cost of demolition by the owner or any person who has an interest in the property, the lien shall be released by the Village Attorney.
(b) The lien may be enforced by proceedings to foreclose as in case of mortgages or mechanics liens. Suit to foreclose this lien shall be commenced by the Village Attorney within three years after the date of filing of notice of lien.
(c) If payment of the Village's cost of demolition is not paid to the Village within 15 days of the filing of the notice of lien, the Village Attorney may commence proceedings in the circuit court seeking a personal judgment from the owner of the subject property at the time the complaint for demolition was filed with the circuit clerk in the amount of such costs. The action authorized by this subsection shall be in addition to, and without waiver of, any other remedies.
SECTION ELEVEN. Nuisance structures.
(a) Any unsafe, dilapidated or abandoned building, house,

barn or other structure situated within the limits of the Village is, and the same is hereby declared to be, a nuisance.
(b) The penalty for maintaining a nuisance shall be a fine not less than \$100.00 and not more than \$500.00, and each and every day that such nuisance remains unabated shall constitute a new and separate offense.
(c) Any building or structure that is open at a door, window, or any other opening, leaving the interior of the building exposed to the elements or accessible to entrance by trespassers shall be secured. If the opening is not restored to its original condition and is temporarily boarded, compliance with the following shall be required:
(1) The openings shall be covered completely from the exterior with a minimum of one-half-inch thick exterior grade plywood secured with screws of a minimum length of one and five-eighths inches placed a minimum of 12 inches on center around the entire perimeter of the opening being covered. The plywood shall be cut and fitted so it rest[s] tightly against the exterior frame butting up to the molding, siding, etc.
(1) Pays at least \$3,000.00 in cash for the property in question; like-kind exchanges or trades of goods other than cash shall not qualify; and
(2) Is not an immediate family member (spouse, parent or sibling) of the seller; and
(3) Is not a business entity in which the seller has an interest either as a partner, shareholder or officer.
(g) For purposes of this section, a building shall be deemed continuously boarded up unless it is unboarded and remains unboarded for at least 30 days.
(h) The fact that a building must be unboarded to comply with this ordinance shall not be a defense to a charge of nuisance structure under subsection (d) of the Section hereof entitled "Nuisance Structures".
SECTION THIRTEEN. Buildings unfit for human habitation-Declared nuisance.
(a) Any building or part thereof which, by reason of its unsanitary condition, is unfit for human habitation or which otherwise endangers the public health, is hereby declared to constitute a public nuisance.
(b) Any dwelling, dwelling unit or rooming unit, which shall be found to have any of the following defects, shall be deemed to be unfit for human habitation:
(1) One which is so damaged, decayed, dilapidated, insanitary, unsafe or vermininfested that it creates a serious hazard to the health or safety of the occupants or of the public.
(2) One which lacks illumination, ventilation or sanitation facilities adequate to protect the health or safety of the occupants or of the public.
(3) One which, because of its general condition, is insanitary or otherwise dangerous to the health or safety of the occupants or of the public.
(4) One which lacks working facilities for cooking, including at least a stove, storage areas appropriate for foodstuffs, a refrigerator and a kitchen sink.
(5) One which lacks dual means of egress with a minimum headroom of at least six feet and six inches leading to safe and open space at ground level.
SECTION FOURTEEN. Ex-

amination; notice to abate; order to vacate; demolition.
(a) The Corporate Authorities or their designee may cause an examination to be made of any building alleged to be a public nuisance for any of the reasons referred to in the preceding section. Such examination shall be made by an appropriate professional(s).
(b) If the examiner shall find and report that a public nuisance exists, as defined in the preceding section, the Corporate Authorities or their designee shall serve notice upon the owner of the building, or his agent or the person in possession, charge or control of such building, directing him to abate the nuisance, and to place the building in a condition which shall not endanger the public health within such reasonable time as the board of survey shall recommend.
(c) Upon the failure of the person so notified to obey the notice, the Corporate Authorities or their designee, after the expiration of the time specified therein, abate the nuisance by ordering the vacation of such building, or part thereof, when such vacation is required for the public health of the Village; and if within 30 days after such vacation has been ordered the building is not put in a sanitary condition, then the Corporate Authorities or their designee shall have the power to order the demolition of such building.
SECTION FIFTEEN. Vacation.
Whenever it shall be decided by the Corporate Authorities or their designee that any building, or part thereof, is unfit for human habitation from any cause, and notice of such decision shall have been affixed conspicuously on the building, or part thereof, so decided to be unfit for human habitation, and personally served upon the owner, agent or lessee, if the same can be found in the state, or the person in possession, charge or control of such building, requiring all persons therein to vacate such building, or part thereof, for the reasons to be stated therein as aforesaid, it shall be the duty of the Corporate Authorities or their designee to see to it that such building, or part thereof, is vacated within ten days from the date of such notice, or within a shorter time, not less than 24 hours in any case, as may be specified in the notice, if in the opinion of the Corporate Authorities or their designee such building, or portion thereof, should be vacated within less than ten days. The Corporate Authorities or their designee shall have the power and authority to call upon any police department or upon any member thereof for such assistance as may be necessary to enable enforcement of the provisions of this section.
THIS ORDINANCE SHALL BE IN FULL FORCE AND EFFECT FROM AND AFTER ITS PASSAGE APPROVAL AND PUBLICATION IN PAMPHLET FORM AS PROVIDED BY LAW.

The Seller and Buyer agree as follows:
1. Seller agrees to quit claim to Buyer its right, title and interest (subject to certain reservations and conditions stated hereinbelow), if any, in the real property, as shown on the attached print, labeled "Exhibit A," being a part of the Seller's right of way west of Mile Post 127.08, and currently a part of Tax ID Parcel Number 1922506005 (the "Property"), located in the Village of Glasford, Peoria County, Illinois, and having the legal description attached hereto as Exhibit B.
2. The purchase price of the Property shall be \$10.00 ("Purchase Price").
3. Seller shall convey the Property to Buyer by Quit Claim Deed. Buyer acknowledges that Seller does not warrant title to the Property. Buyer accepts the Property subject to public roads and highways, and to any existing easements, licenses and other rights, whether recorded or not (including those for underground fiber optic and other wirelines, and pipelines), but Seller warrants the Property to be free and clear of any mortgages or similar encumbrances of any lender claiming through Seller. Seller warrants that it has not entered into any other sale, lease, option to sell or lease, or similar agreement relating to the Property, except those with Buyer. Third parties may have been granted rights in the Property prior to Seller's acquisition thereof, by Seller's predecessors in title, but Seller has no actual knowledge of any such contracts or agreements (as to this particular property, apart from transfers of the railroad property to/from Seller's predecessors in title). Seller does not have a survey and has no knowledge of whether any improvements upon adjoining real estate encroach upon the Property, no notice has been received, prior to the date of this Agreement, by Seller, or agents of Seller, from any city, village or other governmental authority with respect to any violation existing upon or for the Property, and Seller is not the subject of any present litigation or other administrative or court proceeding that would impair or interfere with the conveyance of the Property to Buyer. Seller shall retain all underground rights, including mineral rights, water rights, and rights to license underground pipelines, wirelines, fiber optic, and similar facilities. In addition, Seller retains a permanent right to access its tracks from the Property in the event of a derailment or other emergency (and provided that Seller shall repair any damage done and restore the Property to a condition substantially the same as it was in before such access). Buyer shall perform such title search and other due diligence as it deems necessary, at its expense, prior to Closing. Buyer shall notify Seller of any defects which it deems necessary to correct, not less than five business days before Closing.
4. Buyer acknowledges that Seller is an interstate common carrier railroad, subject to the Interstate Commerce Act, and the jurisdiction of the Surface Transportation Board. Buyer acknowledges that it currently leases the Property for a public park, and is purchasing the Property for that purpose for the foreseeable future (although at a time in the future Buyer may elect to use the Property for another authorized corporate purpose), and not for the purpose of conducting common carrier rail operations. Buyer acknowledges that Seller's tracks adjacent to the Property are active railroad tracks, on which trains regularly move, and some of which may be carrying hazardous commodities. Buyer shall, within 60 days of the execution of this Agreement, relocate the fence currently located approximately 35 feet from the centerline of Seller's track, to a location within the Property, generally parallel to the tracks. Buyer shall maintain the fence between the Property and the remainder of Seller's right of way on the southerly side, in substantially the same condition it is in on the date of Closing. If Buyer fails to do so, within thirty days after written notice from Seller, Seller may make such repairs or restoration as may be necessary, at Buyer's cost and expense, which Buyer shall reimburse Seller within ten days of demand therefor. In addition, Buyer shall post and maintain on said fence, up to two signs, which Seller may furnish from time to time, warning users of the Property not to climb the fence or trespass on Seller's right of way. Seller acknowledges that Buyer this provision does not guarantee the integrity of Seller's right of way, or make Buyer a guarantor of such; trespassers may elect to ignore said signs and/or climb the fence and access said right of way, despite compliance with this provision by both parties.
5. Seller retains a permanent "sight easement" on the southeast corner of the Property, for railroad operating and public safety purposes, so that southbound vehicles on Oak Street, approaching the railroad crossing, shall not have an obstructed view of the tracks, and eastbound trains shall have an unobstructed view of said vehicles approaching the crossing. No structure or other permanent facility shall be placed on the Property within 20 feet of Oak Street.
6. Seller expressly disclaims any warranties as the condition of the Property. The Property is being sold to Buyer "AS IS, WHERE IS", and with no warranties, expressed or implied, and without any warranty or any representation of quiet enjoyment; the sole exception being the warranties expressed in this Agreement. Buyer acknowledges that the Property was formerly used for railroad purposes, and can be expected to have the attributes of having been used for railroad purposes, and Buyer expressly and willingly assumes the risks, and accepts the inconvenience and attributes of a former railroad property, including underground pipes, wires and facilities which may or may not be marked, in use, or documented. Buyer acknowledges that the Property has been a park/playground since 1958, if not before, and that is currently in possession of the Property, and has been for over 20 years. Seller consents to Buyer making reasonable inspections of the Property, provided no excavations are made without the written consent of Seller. Unless Buyer notifies Seller at least ten (10) days before Closing of an objection to the condition of the Property, there will be an irrebuttable presumption that Buyer is satisfied with its current condition. Buyer fully and forever waives any claim against Seller for personal injury, including death, or damage to or loss of or destruction of property, due to the condition of the Property, or anything present thereon.
7. Upon closing, Buyer is solely responsible for all tax, transfer, and similar governmental charges on the Property related to this transaction, or the sale thereof, including sales or use tax, if any. Upon Closing, the parties agree that the current License Agreement, originally dated January 31, 1985, and as amended effective January 1, 2016, between Seller (as successor of the Atchison, Topeka & Santa Fe Railway Company) and Buyer (as successor in interest to The Optimist Club of Glasford) shall terminate. All risk of loss and liability for the Property, as owner, shall be that of Buyer, and Buyer agrees to hold harmless and indemnify Seller, and its parents, subsidiaries, affiliated entities, and their respective officers, directors, employees, agents, successors and assigns, from and against any and all loss, costs, claims, damage, liability, fines, penalties, or expense, resulting from, by reason of, or in any way connected with the use, possession, condition, existence, operation or maintenance of the Property after Closing (provided, however, that nothing herein shall prevent Buyer from seeking compensation from any unrelated third party). Seller shall be responsible for all debts, liens, claims, contracts and liabilities in any way connected with the conduct of its operations on the Property, if any, and Buyer shall have no liability for Seller's operations conducted on the Property or otherwise or for any liabilities, known, unknown, contingent or otherwise, of Seller. Buyer acknowledges that Seller is selling the Property for a nominal sum, and not fair market value, due to Buyer's intention to continue to use the Property for a public park (and portions thereof for a public street and sidewalk). In the event that Buyer sells or leases the Property (or a portion thereof) to a third party within 15 years of the date of Closing, and receives in excess of \$5,000 as total consideration for said sale or lease, Buyer shall tender to Seller 40% of said total consideration, as additional consideration for this transaction. 8. Seller shall have a proposed Quit Claim Deed prepared at least five business days prior to Closing, which shall be subject to the ap-

proval of Buyer. Such Deed shall reference this Agreement; shall reference Buyer's acceptance of the Property without warranties, except for those expressed in this Agreement; and shall include the rights being retained by Seller, as well as Seller's repurchase option contained in Section 10. Buyer shall also tender to Seller, at least five business days prior to Closing, a certified copy of the Resolution (or other action) of the Glasford Village Board authorizing the execution of this Agreement, and an Attorney's letter stating that all necessary approvals have been obtained, and the person signing this Agreement has full authority to bind the Village of Glasford.
9. At Closing, Buyer shall tender a cashier's check for the full purchase price. Seller shall tender an executed Quit Claim Deed, in the form agreed to by the parties; together with an Affidavit indicating the individual executing the Deed on behalf of Seller has the authority to bind the Seller; any mortgage or other releases required, and an executed Illinois transfer declaration form ("green sheet"). Closing shall take place at a mutually-convenient location in Peoria, Illinois, on or before October 18, 2016, at 2:00 p.m., or at such other time and place as the parties may agree. As the Property was leased to Buyer in 2015, there shall be no prorations for real estate taxes, assessments, utility or other charges against the Property. Seller will not seek reimbursement for any taxes previously paid on the land, as part of a larger parcel. Seller represents it has or will pay by closing any taxes due in the 2016 calendar year for 2015, as part of the larger parcel. Any taxes due, or coming due on improvements, or the Property itself, after being divided from such larger parcel, shall be the responsibility of Buyer. Buyer shall promptly arrange for the assessor to assign a new tax ID number to the property, and bill the real estate taxes separately to Buyer. Transfer taxes, recording fees, and any title work shall be the Buyer's responsibility and expense. Time is of the essence in this Agreement, and if Buyer fails to tender full payment as provided herein, when due, Seller shall have the option to cancel this Agreement, and shall have no further obligation hereunder. If the parties agree to extend Closing, for any reason, such extension must be in writing.
10. The covenants, indemnities and agreements contained herein are intended to survive the Closing of this Sale and shall be construed as having been reaffirmed by the parties at Closing. This Agreement shall be construed and enforced in accordance with the Interstate Commerce Act, and other applicable federal laws, and the laws of the State of Illinois. In the event of any dispute involving this Agreement, such dispute shall be settled by binding arbitration under the Federal Arbitration Act, before a single neutral arbitrator. If the parties cannot agree on a single disinterested arbitrator, either may apply for the appointment of such arbitrator, on thirty days written notice to the other party, to the United States District Court for the Central District of Illinois. Either party may seek specific performance of this Agreement, or any part thereof, through arbitration, or by an action in any court having jurisdiction. Buyer hereby waives, to the fullest extent permitted by law, any claim of sovereign or governmental immunity as a defense to any breach of this Agreement, provided, however, that nothing herein shall be construed to confer any rights upon any unaffiliated third party.
11. No modification, addition, or amendment to this Agreement (or Exhibit thereto) shall be effective unless such modification, addition or amendment is in writing and signed by the parties. Words herein importing the singular meaning shall mean and include the plural, and vice versa, unless the context requires otherwise. The term "including" shall not be construed as limiting, whether or not followed by "but not limited to", or similar language. This Agreement shall not be assigned by either party without the prior written consent of the other party. Subject thereto, this Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. This Agreement was negotiated by the parties and shall not be construed in favor of or against either party by virtue of the fact that one or the other drafted any part or all of this Agreement.
12. No brokers were involved in this transaction, and neither party to this Agreement shall have any responsibility or liability for payment of any broker commission, or similar fee in connection with this transaction. The Seller certifies that the Property is not homestead property.
13. If the description of the Property on Exhibit B attached hereto does not correctly describe the Property to be purchased hereunder as is determined by a later survey, the parties shall cooperate to resolve the discrepancy in a manner that promotes the intent of this Agreement.
14. Buyer and Seller agree that they will cooperate in all activities required hereunder, whether expressed or implied, to effectuate and consummate the transaction hereunder and to do or cause to be done, execute, acknowledge, and deliver all such further acts, instruments, and assurances, and to take or cause to be taken all such further actions before and after the Closing as shall be reasonably necessary or desirable to carry out the intent of this Agreement, provided, that any expenses incurred in carrying out such acts shall, unless otherwise provided, be borne by the party that requests or requested such action.
15. Buyer's (the corporate authorities of the Village of Glasford, a municipal corporation) obligations to purchase the Property and to otherwise perform under the terms of this Agreement are expressly subject to and contingent upon Buyer's corporate authorities (Board of Trustees) passing an ordinance authorizing and accepting this Agreement and authorizing the Mayor to execute this Agreement and the Village Clerk to attest to this Agreement, no later than September 30, 2016. In the event Buyer is unable to meet this condition by this date, Buyer shall notify Seller in the manner provided for herein and this Agreement shall terminate. Neither party shall have any further obligations or rights under this Agreement.
16. All notices, requests, consents and other communications required or permitted under this Agreement shall be in writing and shall be (as elected by the person giving such notice) hand delivered by messenger or courier service, or mailed by certified mail (postage prepaid, return receipt requested), addressed to:
