

Genali Insurance

Registration Services

We are certified to help with multiple registration services.

At this time all our registration services must be done in person with one of our experts.

Below we have provided a list with the essentials documents you will be required to bring in order for one of our experts to assist you

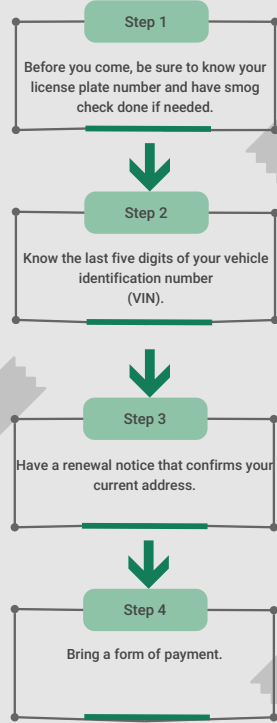

We offer name transfers, copies of vehicle registrations, title replacements, renewed vehicle registration, one day move in permits, notice of transfer and release liability.

Notice of transfer and release of liability

- 01 Have the new owners name and address.
- 02 Know the last five digits of your vehicle identification number (VIN).
- 03 Have the vehicle odometer reading as of the sale or transfer date.

Vehicle registration renewal

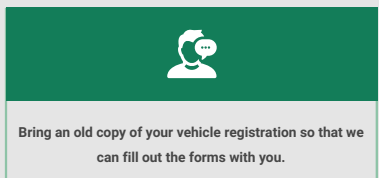

Registering out-of-state vehicles

- Step 1  Perform a smog check on the vehicle.
- Step 2  Bring the vehicles' title.
- Step 3  Bring an inspection report.

Copy of vehicle registration

If you have done a vehicle registration with us in the past we can print out a free copy at any time.

Pink slip or title replacement

Important!

At Genali Insurance Services there are no wait lines and all processes can be done in about five minutes.

One-day move-in permits

Be sure to know your license plate number.

Know the last five digits of your vehicle identification number (VIN).
